Emergencies

In an emergency due to a health or safety concern, a reasonably unforeseeable situation, or other exigent circumstance, the District employee who is in charge of the facility shall be authorized to determine whether an employee of a contracting or subcontracting entity who does not have the required criminal history record information (CHRI) review or who has a disqualifying conviction will be permitted to enter a District facility.

If allowed to enter the facility, the employee of the contracting or subcontracting entity shall be accompanied by a District employee at all times.
