CONSENT TO
MEDICAL TREATMENT

The school in which a minor student is enrolled may consent to medical, dental, psychological, and surgical treatment of that student, provided all of the following conditions are met:

1. The person having the power to consent as otherwise provided by law cannot be contacted.
2. Actual notice to the contrary has not been given by that person.
3. Written authorization to consent has been received from that person.

Family Code 32.001(a)(4)

FORM OF CONSENT

Consent to medical treatment under this policy shall be in writing, signed by the school official giving consent, and given to the doctor, hospital, or other medical facility that administers the treatment. The consent must contain:

1. The name of the student.
2. The name of one or both parents, if known, and the name of the managing conservator or guardian of the student, if either has been appointed.
3. The name of the person giving consent and the person's relation to the student.
4. A statement of the nature of the medical treatment to be given.
5. The date on which the treatment is to begin.

Family Code 32.002

MINOR'S CONSENT TO
TREATMENT

A minor may consent to medical, dental, psychological, and surgical treatment furnished by a licensed physician or dentist if the minor:

1. Is 16 years of age and residing separate and apart from the minor's parents, managing conservator, or guardian, with or without the consent of the parents, conservator, or guardian and regardless of the duration of the residence, and is managing his or her own financial affairs, regardless of the source of the income;
2. Consents to the diagnosis and treatment of any infectious, contagious, or communicable disease required to be reported to the Texas Department of State Health Services, including all reportable diseases under Health and Safety Code 81.041;

ADMINISTERING
MEDICATION

Upon adoption of policies concerning the administration of medication to students by District employees, the District, the Board, and the District's employees are immune as described below, provided:

1. The District has received a written request to administer the medication from the parent, legal guardian, or other person having legal control of the student.
2. When administering prescription medication, the medication is administered either:
 - a. From a container that appears to be the original container and to be properly labeled; or
 - b. From a properly labeled unit dosage container filled by a registered nurse or another qualified District employee, as determined by District policy, from a container that appears to be the original container and to be properly labeled.

BY VOLUNTEER
PROFESSIONALS

If the District provides liability insurance for a licensed physician or registered nurse who provides volunteer services to the District, the Board may allow the physician or nurse to administer to any student nonprescription medication or medication currently prescribed for the student by the student's personal physician.

IMMUNITY FROM
CIVIL LIABILITY

The District, the Board, and its employees shall be immune from civil liability for damages or injuries resulting from the administration of medication to a student in accordance with this policy.

SELF-
ADMINISTRATION OF
ASTHMA OR
ANAPHYLAXIS
MEDICINE

A student with asthma or anaphylaxis may possess and self-administer prescription asthma or anaphylaxis medicine while on school property or at a school-related event or activity if:

1. The medicine has been prescribed for that student as indicated by the prescription label on the medicine;

2. The student has demonstrated to the student's physician or other licensed health-care provider and the school nurse, if available, the skill level necessary to self-administer the prescription medication, including the use of any device required to administer the medication;
3. The self-administration is done in compliance with the prescription or written instructions from the student's physician or other licensed health-care provider; and
4. A parent of the student provides to the school:
 - a. Written authorization, signed by the parent, for the student to self-administer the prescription medicine while on school property or at a school-related event or activity; and
 - b. A written statement, signed by the student's physician or other licensed health-care provider, that states:
 - (1) That the student has asthma or anaphylaxis and is capable of self-administering the medicine;
 - (2) The name and purpose of the medicine;
 - (3) The prescribed dosage for the medicine;
 - (4) The times at which or circumstances under which the medicine may be administered; and
 - (5) The period for which the medicine is prescribed.

The physician's statement must be kept on file in the school nurse's office, or, if there is no school nurse, in the office of the principal of the school the student attends.

[See FFAF for care of students with diagnosed food allergies at risk for anaphylaxis.]

NO WAIVER OF
IMMUNITY

The provisions above neither waive any liability or immunity nor create any liability for or a cause of action against the District, the Board, or its employees.

Education Code 38.015

DIETARY
SUPPLEMENTS

A District employee commits a Class C misdemeanor offense if the employee:

1. Knowingly sells, markets, or distributes a dietary supplement that contains performance enhancing compounds to a primary or secondary education student with whom the employee has contact as part of the employee's District duties; or

2. Knowingly endorses or suggests the ingestion, intranasal application, or inhalation of a dietary supplement that contains performance enhancing compounds by a primary or secondary education student with whom the employee has contact as part of the employee's District duties.

Education Code 38.011(a), (c)

PRESCRIPTION
MEDICATION AND
SPECIAL EDUCATION
STUDENTS

An employee of the District is prohibited from requiring a child to obtain a prescription for a substance covered under the federal Controlled Substances Act (21 U.S.C. 801 *et seq.*) as a condition of attending school, receiving an evaluation for special education, or receiving special education and related services.

An employee is not prohibited from consulting or sharing classroom-based observations with parents regarding a student's academic and functional performance, behavior in the classroom or school, or the need for evaluation for special education or related services.

20 U.S.C. 1412(a)(25)

PSYCHOTROPICS AND
PSYCHIATRIC
EVALUATIONS

A District employee may not:

1. Recommend that a student use a psychotropic drug; or
2. Suggest any particular diagnosis; or
3. Use the refusal by a parent to consent to administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student as grounds, by itself, for prohibiting the child from attending a class or participating in a school-related activity.

Psychotropic drug means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

Education Code 38.016(b) does not:

1. Prevent an appropriate referral under the Child Find system required under 20 U.S.C. Section 1412, as amended; or
2. Prohibit a District employee who is a registered nurse, advanced nurse practitioner, physician, or certified or appropriately credentialed mental health professional from recommending that a child be evaluated by an appropriate medical practitioner; or

3. Prohibit a school employee from discussing any aspect of a child's behavior or academic progress with the child's parent or another District employee.

The Board shall adopt a policy to ensure implementation and enforcement of Education Code 38.016.

A violation of Education Code 38.016(b) does not override the immunity from personal liability granted in Education Code 22.0511 or other law or the District's sovereign or governmental immunity.
