REQUEST FOR
PROPOSALS

The District shall prepare a request for competitive sealed proposals that includes construction documents, selection criteria and the weighted value for each criterion, estimated budget, project scope, estimated project completion date, and other information that a contractor may require to respond to the request. *Gov’t Code 2267.153*

OPENING PROPOSALS

The District shall receive, publicly open, and read aloud the names of the offerors and any monetary proposals made by the offerors. Not later than the 45th day after the date on which the proposals are opened, the District shall evaluate and rank each proposal submitted in relation to the published selection criteria. *Gov’t Code 2267.154*

SELECTION

The District shall select the offeror that submits the proposal that offers the best value for the District based on the selection criteria

in the request for proposal and the weighted value for those criteria in the request for proposal and on its ranking evaluation.

The District shall first attempt to negotiate a contract with the selected offeror. The District and its architect or engineer may discuss with the selected offeror options for a scope or time modification and any price change associated with the modification. If the District is unable to negotiate a satisfactory contract with the selected offeror, the District shall, formally and in writing, end negotiations with that offeror and proceed to the next offeror in the order of the selection ranking until a contract is reached or all proposals are rejected.
