MEMBERSHIP  
FOR TRANSITION  
MEETINGS

If the purpose of the meeting is to consider postsecondary goals and the transition services needed to assist the student in reaching those goals, the District shall invite:

1. The student. If the student does not attend, the District shall take steps to ensure that the student's preferences and interests are considered.
2. To the extent appropriate, and with the consent of the parent or adult student, a representative of any other agency that is likely to be responsible for providing or paying for transition services.

*34 CFR 300.321(b)* [See EHBAD]

PARENT  
INVOLVEMENT

The District shall take steps to ensure that one or both parents of a student with a disability are present at each ARD committee meeting or are afforded an opportunity to participate, including:

1. Notifying the parents of the meeting early enough to ensure that they will have an opportunity to attend (the notice shall include the purpose, time, and location of the meeting, who will be in attendance, that persons with knowledge or special expertise may be invited by either the parent or the District, and that the Part C service coordinator or other representatives of the Part C system may be invited to the initial meeting for a child previously served under a Part C early childhood intervention program); and
2. Scheduling the meeting at a mutually agreed on time and place.

If the purpose of the meeting is to consider transition services, the notice must also indicate this purpose, indicate that the District will invite the student, and identify any other agency that will be invited to send a representative.

ALTERNATIVE  
MEANS OF  
MEETING  
PARTICIPATION

An ARD meeting may be conducted without a parent in attendance if the District is unable to convince the parents that they should

attend, but the District shall have a record of its attempts to arrange a mutually agreed on time and place, such as detailed records of telephone calls, correspondence, or visits made or attempted and the results of any of those actions. *34 CFR 300.322(d)*

MEETINGS

The District shall initiate and conduct ARD committee meetings for the purpose of developing, reviewing, and revising the IEP of a child with a disability. The committee shall review each child's IEP periodically, and, if appropriate, revise the IEP. A meeting must be held for this purpose at least once a year. The ARD committee must also determine the child's placement once a year.

A "meeting" does not include informal or unscheduled conversations involving District personnel and conversations on issues such as teaching methodology, lesson plans, or coordination of service provisions if those issues are not addressed in the child's IEP. A "meeting" also does not include preparatory activities that public agency personnel engage in to develop a proposal or response to a parent proposal that will be discussed at a later meeting.

MEETING AT  
PARENT'S  
REQUEST

A parent may request an ARD committee meeting at any mutually agreeable time to address specific concerns about his or her child's special education services. The District must respond to the request by holding the meeting or requesting TEA's assistance through the mediation process. The District shall inform parents of the functions of the ARD committee and the circumstances or types of problems for which requesting an ARD committee meeting would be appropriate. *19 TAC 89.1045(b)*

TRANSFER STUDENTS

If a student transfers districts, and the student had a previous IEP in place, the District will provide the child with FAPE, including services comparable to those described in the previous IEP, in consultation with the parents, until:

1. In the case of a student who transfers within the state, the District adopts the previous IEP or develops, adopts, and implements a new IEP.
2. In the case of a student who had an IEP in effect in another state, the District conducts an evaluation, if determined necessary by the District, and develops, adopts, and implements a new IEP, if appropriate.

*20 U.S.C. 1414(d)(2)(C)(i); 34 CFR 300.323(e)-(f)*

TRANSFER OF  
RECORDS

The district in which the child enrolls shall take reasonable steps to promptly obtain the child's records, including the IEP and supporting documents and any other records relating to the provision of

special education or related services to the child, from the previous district.

The previous district shall take reasonable steps to promptly respond to the request from the new district.

*20 U.S.C. 1414(d)(2)(C)(ii); 34 CFR 300.323(g)*

MILITARY  
DEPENDENTS

The District shall initially provide comparable services to a military student with disabilities based on his or her current IEP. This does not preclude the District from performing subsequent evaluations to ensure appropriate placement of the student. *Education Code 162.002 art. V, § C* [See FDD]

INDIVIDUALIZED  
EDUCATION  
PROGRAM (IEP)

The District shall develop, review, and revise an IEP for each child with a disability. *20 U.S.C. 1412(a)(4); 34 CFR 300.320(a)*

At the beginning of each school year, the District shall have in effect, for each child with a disability in its jurisdiction, an IEP. *20 U.S.C. 1414(d)(2)(A); 34 CFR 300.323(a)*

The term "individualized education program" means a written statement for each child with a disability that includes:

1. A statement of the child's present levels of academic achievement and functional performance;
2. A statement of measurable annual goals, including academic and functional goals;
3. A description of how the child's progress toward the annual goals will be measured and when periodic reports on the progress of the child will be provided;
4. A statement of the specific special education and related services and supplementary aids and services, based on peer-reviewed research to the extent practicable, to be provided to the child;
5. A statement of the program modifications or supports for school personnel that will be provided for the child;
6. An explanation of the extent, if any, to which the child will not participate with nondisabled children in the regular class and in extracurricular and nonacademic activities;
7. The projected dates for initiation of services and modifications and the anticipated frequency, location, and duration of these services and modifications;
8. A statement of any individual appropriate accommodations that are necessary to measure the academic achievement

and functional performance of the child on state or districtwide assessments;

9. If the ARD committee determines that the child must take an alternative assessment instead of a particular regular state or district-wide assessment, a statement of why the child cannot participate in the regular assessment and why the particular assessment selected is appropriate for the child;
10. Beginning not later than the first IEP to be in effect when the child is 14, or younger if determined appropriate by the ARD committee, and updated annually thereafter, a statement of appropriate, measurable postsecondary goals and transition services needed to assist the child in reaching those goals [see EHBAD]; and
11. Beginning not later than one year before the child reaches the age of 17, a statement that the child has been informed of the rights that will transfer to the child upon reaching the age of majority.

*20 U.S.C. 1414(d); 34 CFR 300.320; Education Code 29.0111; 19 TAC 89.1055*

The written statement of a student's IEP may be required to include only information included in the model form developed by TEA under Education Code 29.0051(a) and posted on the TEA Web site. The District may use the model form to comply with the requirements for an IEP under 20 U.S.C. 1414(d). *Education Code 29.005(f), .0051*

TRANSLATION OF  
IEP INTO NATIVE  
LANGUAGE

If the parent is unable to speak English and Spanish is the parent's native language, the District shall provide a written or audiotaped copy of the student's IEP translated into Spanish. If the parent's native language is other than Spanish or English, the District shall make a good faith effort to provide a written or audiotaped copy of the student's IEP translated into the parent's native language. *Education Code 29.005(d); 19 TAC 89.1050(e)*

AUTISM /  
PERVASIVE  
DEVELOPMENTAL  
DISORDER

For students with autism/pervasive developmental disorders, the following strategies shall be considered by the ARD committee, based on peer-reviewed, research-based educational programming practices to the extent practicable and, when needed, addressed in the IEP:

1. Extended educational programming;
2. Daily schedules reflecting minimal unstructured time and active engagement in learning activities;

3. In-home training and community-based training or viable alternatives that assist the student with the acquisition of social/behavioral skills;
4. Positive behavior support strategies based on relevant information;
5. Beginning at any age, futures planning for integrated living, work, community, and educational environments that considers skills necessary to function in current and post-secondary environments;
6. Parent/family training and support, provided by qualified personnel with experience in Autism Spectrum Disorders (ASD);
7. Suitable staff-to-student ratio appropriate to identified activities and as needed to achieve social/behavioral progress based on the child's developmental and learning level (acquisition, fluency, maintenance, generalization) that encourages work towards individual independence;
8. Communication interventions, including language forms and functions that enhance effective communication across settings;
9. Social skills supports and strategies based on social skills assessment/curriculum and provided across settings;
10. Professional educator/staff support; and
11. Teaching strategies based on peer-reviewed, research-based practices for students with ASD.

If the ARD committee determines that services are not needed in one or more of the areas in 1–11 above, the IEP shall include a statement reflecting that decision and the basis upon which the determination was made.

*19 TAC 89.1055(e)–(f)*

VISUAL  
IMPAIRMENT

If the District provides special education services to students with visual impairments, it shall have written procedures as required in Education Code 30.002(c)(10) (staff access to resources). *19 TAC 89.1075(b)*

COLLABORATIVE  
PROCESS

All members of the ARD committee shall have the opportunity to participate in a collaborative manner in developing the IEP. Decisions concerning the required elements of the IEP shall be made by agreement of the required members, if possible. The ARD committee may agree to an annual IEP or an IEP of shorter duration.

TEN-DAY RECESS When agreement about all required elements of the IEP is not achieved, the parent or adult student [see EHBAD for more information on rights of adult students] who disagrees shall be offered a single opportunity to have the committee recess for a period not to exceed ten school days. This recess is not required when:

1. The student's presence on campus represents a danger of physical harm to the student or others;
2. The student has committed an expellable offense; or
3. The student has committed an offense that may lead to placement in a disciplinary alternative education program. [See FOF]

These requirements do not prohibit the members of the ARD committee from recessing an ARD committee meeting for reasons other than failure of the parents and the District to reach agreement about all required elements of an IEP.

During the recess, the committee members shall consider alternatives, gather additional data, prepare further documentation, and/or obtain additional resource persons to enable the committee to reach agreement.

The date, time, and place for continuing the ARD committee meeting shall be determined by agreement before the recess.

FAILURE TO  
REACH  
AGREEMENT

If, after the ten-day recess, the ARD committee still cannot reach agreement, the District shall implement the IEP it has determined to be appropriate for the student. A written statement of the basis for the disagreement shall be included in the IEP. The members who disagree shall be offered the opportunity to write their own statements.

When the District implements an IEP with which the parents or adult student disagree, it shall provide prior written notice in compliance with the notice provisions described at EHBAAE.

Parents shall have the right to file a complaint, request mediation, or request a due process hearing at any point, when they disagree with ARD committee decisions.

*19 TAC 89.1050(h)*

MODIFICATION OF  
EXISTING IEP

Changes to the IEP may be made either by the entire ARD committee or by amending the IEP by agreement, rather than redrafting the entire IEP.

After the annual IEP meeting for a school year, the parent and District may agree not to convene an IEP meeting for the purposes of

making changes to the IEP and instead may develop a written document to amend or modify the child's current IEP.

Upon request, a parent shall be provided with a revised copy of the IEP with amendments incorporated.

To the extent possible, the District shall encourage the consolidation of reevaluation meetings for the child and other ARD meetings for the child.

*20 U.S.C. 1414(d)(3)(D)-(F); 34 CFR 300.324(a)(4)-(a)(6)*

TEACHER REQUEST  
TO REVIEW IEP

In accordance with TEA rules, the District shall develop a process to be used by a teacher who instructs a student with a disability in a regular classroom setting:

1. To request a review of the student's IEP;
2. That provides for a timely District response to the teacher's request; and
3. That provides for notification to the student's parent or legal guardian of that response.
