Teacher Appraisal The employment policies adopted by the board must require a written evaluation of each teacher at annual or more frequent intervals.

A teacher appraisal must be done at least once for each school year. A teacher may be appraised less frequently if the teacher agrees in writing and the teacher's most recent evaluation rated the teacher as at least proficient, or the equivalent, and did not identify any area of deficiency. A teacher who is appraised less frequently than annually must be appraised at least once during each period of five school years.

Education Code 21.203, .352(c)

Interim Evaluations and Guidance In addition to conducting a complete appraisal as frequently as required by Education Code 21.352(c), a district shall require that appropriate components of the appraisal process, such as classroom observations and walk-throughs, occur more frequently as necessary to ensure that a teacher receives adequate evaluation and guidance. A district shall give priority to conducting appropriate components more frequently for inexperienced teachers or experienced teachers with identified areas of deficiency. *Education Code 21.352(c-1)*

Required Components The statutorily required components of teacher appraisal are defined as follows:

1. The implementation of discipline management procedures is the teacher's pedagogical practices that produce student engagement and establish the learning environment.
2. The performance of teachers' students is how the individual teacher's students progress academically in response to the teacher's pedagogical practice as measured at the individual teacher level by one or more student growth measures.

19 TAC 150.1001(f)

Notice and Use of Evaluations A district shall use a teacher's consecutive appraisals from more than one year, if available, in making employment decisions and developing career recommendations for the teacher. *Education Code 21.352(e)*

The district shall notify a teacher of the results of any appraisal of the teacher in a timely manner so that the appraisal may be used as a developmental tool by the district and the teacher to improve the overall performance of the teacher. *Education Code 21.352(f)*

Role of Extracurricular Activities A teacher who directs extracurricular activities in addition to performing classroom teaching duties shall be appraised only on the

basis of classroom teaching performance and not on performance in connection with extracurricular activities. *Education Code 21.353*

Disciplinary Referrals

A district may not assign an area of deficiency to a teacher solely on the basis of disciplinary referrals made by the teacher or documentation regarding student conduct submitted by the teacher under Education Code 37.002. [See FOA for discretionary removal] A district is not prohibited from assigning an area of deficiency to a teacher based on documented evidence of a deficiency in classroom management obtained through observation or a substantiated report. *Education Code 21.352(a-1)*

Access to Evaluations

A district shall maintain a written copy of the evaluation of each teacher's performance in the teacher's personnel file.

Each teacher is entitled to receive a written copy of the evaluation promptly on its completion. The evaluation and any rebuttal may be given to another school district at which the teacher has applied for employment at the request of that district.

Education Code 21.352(c)

Confidentiality

A document evaluating the performance of a teacher or administrator is confidential and is not subject to disclosure under the Public Information Act, Government Code 552. *Education Code 21.355(a)* [For disclosure requirements on evaluations, see GBA]

Two Appraisal Methods

A district shall use one of the following methods to appraise teachers:

1. The teacher appraisal system recommended by the commissioner of education [see State Method (T-TESS), below]; or
2. A local teacher appraisal system [see District Option and Campus Option, below].

Education Code 21.352(a); 19 TAC 150.1001(a)

Selection of Appraisal Method

A superintendent, with the approval of a board, may select the state appraisal method. Each district or campus wanting to select or develop an alternative teacher appraisal system must follow the requirements set forth below at District Option or Campus Option. *19 TAC 150.1001(c)*

Notice to Service Center

A superintendent shall notify the executive director of the district's regional education service center in writing of the district's choice of appraisal system when using an alternative to the state appraisal method and detail the components of that system by the first day of instruction for the school year in which the alternative system is used.

A district shall submit annually to its service center a summary of the campus-level evaluation scores from the state appraisal method or the district's locally adopted appraisal system, in a manner prescribed by the commissioner.

19 TAC 150.1008

Note: The following provisions apply to teacher appraisal using the state appraisal method.

**State Method
(T-TESS)**

The commissioner's recommended teacher appraisal system, the Texas Teacher Evaluation and Support System (T-TESS), was developed in accordance with Education Code 21.351. *19 TAC 150.1001(b), .1002(a)*

Orientation and
Annual Review

A district shall ensure that all teachers are provided with an orientation to the T-TESS no later than the final day of the first three weeks of school and at least two weeks before the first observation when:

1. The teacher is new to the district;
2. The teacher has never been appraised under the T-TESS; or
3. District policy regarding teacher appraisal has changed since the last time the teacher was provided with an orientation to the T-TESS.

The teacher orientation shall be conducted in a face-to-face setting during a district's first year of T-TESS implementation and include all state and local appraisal policies and the local appraisal calendar. In addition to the orientation, campuses may hold other sessions sufficient in length allowing teachers to actively participate in a discussion of the T-TESS specifics and to have their questions answered.

19 TAC 150.1006

Appraisers

The teacher appraisal process requires at least one certified appraiser. An appraiser must be the teacher's supervisor or a person approved by the board.

*Campus
Administrator*

Only a campus administrator may act as a certified appraiser, except as provided below.

Under the T-TESS, a "campus administrator" includes a principal, an assistant principal, an administrator who holds a comparable administrator/supervisor certificate established by the State Board

for Educator Certification, or supervisory staff whose job description includes the appraisal of teachers and who is not a classroom teacher.

An individual other than a campus administrator may act as a certified appraiser if:

1. The individual has been certified by completing the required training prior to conducting appraisals; and
2. In the case where the certified appraiser is a classroom teacher, the certified appraiser:
 - a. Conducts appraisals at the same school campus at which the certified appraiser teaches if the certified appraiser is the chair of a department or grade level whose job description includes classroom observation responsibilities; or
 - b. Does not conduct appraisals of classroom teachers who teach at the same campus as the certified appraiser if the certified appraiser is not a department or grade-level chair.

*Training and
Certification*

Before conducting appraisals, an appraiser must be certified by having satisfactorily completed the state-approved T-TESS appraiser training and having passed the T-TESS certification examination, and must have received Instructional Leadership Training (ILT), Instructional Leadership Development (ILD), or Advanced Educational Leadership (AEL) certification. Appraisers without ILT, ILD, or AEL certification before January 1, 2016, may not take ILT or ILD to satisfy the requirement. Periodic recertification and training shall be required.

Education Code 21.351(c); 19 TAC 150.1005

Appraisal Calendar

A district shall establish a calendar for teacher appraisals and provide that calendar to teachers within three weeks from the first day of instruction. The appraisal period for each teacher must include all of the days of the teacher's contract.

Observations during the appraisal period must be conducted during the required days of instruction for students during one school year.

The appraisal calendar shall:

1. Exclude observations in the two weeks after the day of completion of the T-TESS orientation in the school years when an orientation is required; and

2. Indicate a period for end-of-year conferences that ends no later than 15 working days before the last day of instruction for students.

19 TAC 150.1003(d)

A teacher may be given advance notice of the date or time of an appraisal, but advance notice is not required. *Education Code 21.352(d); 19 TAC 150.1003(c)*

Assessment of
Teacher
Performance

Each teacher must be appraised each school year, except as provided below at Less-Than-Annual Appraisal. Whenever possible, an appraisal shall be based on the teacher's performance in fields and teaching assignments for which he or she is certified. *19 TAC 150.1003(a)*

During the appraisal period, the certified appraiser shall evaluate and document teacher performance specifically related to the domain criteria as identified in 19 Administrative Code 150.1002(a) and the performance of teachers' students as defined in 19 Administrative Code 150.1001(f)(2). *19 TAC 150.1003(e)*

*Less-Than-
Annual Appraisal*

A teacher may receive a full appraisal less than annually if the teacher agrees in writing and the teacher's most recent full appraisal resulted in the teacher receiving summative ratings of at least proficient on nine of the sixteen dimensions and did not identify any area of deficiency, defined as a rating of Improvement Needed or its equivalent, on any of the sixteen dimensions identified in 19 Administrative Code 150.1002(a) or the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2). A teacher who receives a full appraisal less than annually must receive a full appraisal at least once during each period of five school years.

District policy may stipulate:

1. Whether the option to receive a full appraisal less frequently than annually is to be made available to teachers;
2. Whether the option to receive a full appraisal less frequently than annually is to be adopted district-wide or is to be campus specific;
3. If the appraisal accompanying a teacher new to a district or campus meets this option, whether the appraisal is to be accepted or whether that teacher is to be appraised by the new campus administrator; and
4. Whether a certified appraiser may place a teacher on the traditional appraisal cycle as a result of performance deficiencies

documented in accordance with 19 Administrative Code 150.1003(b)(6) and (f) (cumulative data regarding teacher performance in addition to formal classroom observations).

A school district may choose annually to review the written agreement to have less frequent full appraisals with the teacher. However, at the conclusion of the school year, the district may modify appraisal options through board policy and may make changes to expectations for appraisals that apply to all teachers regardless of a teacher's participation in the appraisal option in the previous year(s).

In a year in which a teacher does not receive a full appraisal due to meeting the requirements, a teacher shall participate in:

1. The Goal-Setting and Professional Development Plan process;
2. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
3. A modified end-of-year conference that addresses:
 - a. The progress on the Goal-Setting and Professional Development Plan;
 - b. The performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2); and
 - c. The following year's Goal-Setting and Professional Development plan.

19 TAC 150.1003(l)

*Domains and
Dimensions*

Each teacher shall be appraised on the following domains and dimensions of the T-TESS rubric that is aligned to the Texas Teacher Standards in 19 Administrative Code Chapter 149 (Commissioner's Rules Concerning Educator Standards):

1. Domain I. Planning, which includes the following dimensions:
 - a. Standards and alignment;
 - b. Data and assessment;
 - c. Knowledge of students; and
 - d. Activities.
2. Domain II. Instruction, which includes the following dimensions:
 - a. Achieving expectations;

PERFORMANCE APPRAISAL

 - a. Professional demeanor and ethics;
 - b. Goal setting;
 - c. Professional development; and
 - d. School community involvement.

The evaluation of each of the dimensions above shall consider all data generated in the appraisal process. The data for the appraisal of each dimension shall be gathered from pre-conferences, observations, post-conferences, end-of-year conferences, the Goal-Setting and Professional Development Plan process, and other documented sources.

Each teacher shall be evaluated on the 16 dimensions in Domains I–IV identified above using the following categories:

1. Distinguished;
2. Accomplished;
3. Proficient;
4. Developing; and
5. Improvement needed.

*Student
Performance*

Beginning with the 2017–18 school year, each teacher appraisal shall include the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2) (student growth measures).

If calculating a single overall summative appraisal score for teachers, the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), shall count for at least 20 percent of a teacher's summative score.

Each teacher shall be evaluated on the performance of teachers' students using one of the terms from the following categories:

1. Distinguished or well above expectations;
2. Accomplished or above expectations;
3. Proficient or at expectations;
4. Developing or below expectations; or
5. Improvement needed or well below expectations.

19 TAC 150.1002

Appraisal Process

The annual teacher appraisal, or full appraisal, shall include:

1. A completed and appraiser-approved Goal-Setting and Professional Development Plan that shall be:
 - a. Submitted to the teacher's appraiser within the first six weeks from the day of completion of the T-TESS orientation for teachers in their first year of appraisal under the T-TESS or for teachers new to the district; or
 - b. Initially drafted in conjunction with the teacher's end-of-year conference from the previous year, revised as needed based on changes to the context of the teacher's assignment during the current school year, and submitted to the teacher's appraiser within the first six weeks of instruction; and
 - c. Maintained throughout the course of the school year by the teacher to track progress in the attainment of goals and participation in professional development activities detailed in the approved plan;
 - d. Shared with the teacher's appraiser prior to the end-of-year conference; and
 - e. Used after the end-of-year conference in the determination of ratings for the goal setting and professional development dimensions of the T-TESS rubric;

2. For a teacher in the first year of appraisal under the T-TESS or for teachers new to the district, a Goal-Setting and Professional Development Plan conference prior to the teacher submitting the plan to the teacher's appraiser;
3. After a teacher's first year of appraisal under the T-TESS within the district, an observation pre-conference conducted prior to announced observations;
4. At least one classroom observation of a minimum of 45 minutes, with additional walk-throughs and observations conducted at the discretion of the certified appraiser and in accordance with the Education Code 21.352(c-1). Additional observations and walk-throughs do not require an observation post-conference. Additional observations and walk-throughs do require a written summary if the data gathered during the additional observation or walk-through will impact the teacher's summative appraisal ratings, in which case the written summary shall be shared within ten working days after the completion of the additional observation or walk-through. Title 19 Administrative Code 150.1004 (Teacher Response and Appeals) applies to a written summary of an additional observation or walk-through that will impact the teacher's summative appraisal ratings;
5. An observation post-conference that:
 - a. Shall be conducted within ten working days after the completion of an observation;
 - b. Is diagnostic and prescriptive in nature;
 - c. Includes a written report of the rating of each dimension observed that is presented to the teacher only after a discussion of the areas for reinforcement and areas for refinement; and
 - d. Can allow for, at the discretion of the appraiser, a revision to an area for reinforcement or refinement based on the post-conference discussion with the teacher;
6. Cumulative data from written documentation collected regarding job-related teacher performance, in addition to formal classroom observations;
7. An end-of-year conference that:
 - a. Reviews the appraisal data collected throughout the current school year and previous school years, if available;

- b. Examines and discusses the evidence related to the teacher's performance on the four dimensions of Domain IV of the T-TESS rubric;
 - c. Examines and discusses evidence related to the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2) (student growth measures), when available; and
 - d. Identifies potential goals and professional development activities for the teacher for the next school year; and
8. A written summative annual appraisal report to be provided to the teacher within ten working days of the conclusion of the end-of-year conference.

19 TAC 150.1003(b)

*Shorter
Observations*

By written, mutual consent of the teacher and the certified appraiser, the required 45 minutes of observation may be conducted in shorter time segments. The time segments must aggregate to at least 45 minutes. *19 TAC 150.1003(g)*

Cumulative Data

The certified appraiser is responsible for documentation of cumulative data. Any third-party information from a source other than the certified appraiser that the certified appraiser wishes to include as cumulative data shall be verified and documented by the certified appraiser. Any documentation that will influence the teacher's summative annual appraisal report must be shared in writing with the teacher within ten working days of the certified appraiser's knowledge of the occurrence. The principal shall also be notified in writing of the cumulative data when the certified appraiser is not the teacher's principal. *19 TAC 150.1003(f)*

Summative Report

A written summative annual appraisal report shall be shared with the teacher no later than 15 working days before the last day of instruction for students. The written summative annual appraisal report shall be placed in the teacher's personnel file by the end of the appraisal period. *19 TAC 150.1003(h)*

**End-of-Year
Conference**

An end-of-year conference shall be held within a time frame specified on the district calendar, no later than 15 working days before the last day of instruction for students. The end-of-year conference shall focus on the data and evidence gathered throughout the appraisal year; the teacher's efforts as they pertain to Domain IV; the results of the performance of teachers' students, when available, as defined in 19 Administrative Code 150.1001(f)(2); and the potential goals and professional development plans for the following year. The written summative annual appraisal report shall be

shared with the teacher within ten working days following the conclusion of the end-of-year conference but no later than 15 working days before the last day of instruction.

In cases where the certified appraiser is not an administrator on the teacher's campus, either the principal, assistant principal, or another supervisory staff member designated as an administrator on the campus must participate in the end-of-year conference.

19 TAC 150.1003(i), (j)

**Additional
Documentation**

Any documentation collected after the end-of-year conference but before the end of the contract term during one school year may be considered as part of the appraisal of a teacher. If the documentation affects the teacher's evaluation in any dimension, another summative report shall be developed to inform the teacher of the changes. *19 TAC 150.1003(k)*

**Teacher Response
and Rebuttal**

A teacher may submit a written response or rebuttal at the following times:

1. For Domains I, II, and III, after receiving a written observation summary or any other written documentation related to the ratings of those three domains; or
2. For Domain IV and for the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), after receiving a written summative annual appraisal report.

Any written response or rebuttal must be submitted within ten working days of receiving a written observation summary, a written summative annual appraisal report, or any other written documentation associated with the teacher's appraisal. A teacher may not submit a written response or rebuttal to a written summative annual appraisal report for the ratings in Domains I, II, and III if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to submit a written response or rebuttal.

Education Code 21.352(c); 19 TAC 150.1004(a), (b)

**Request for Second
Appraisal**

A teacher may request a second appraisal by another certified appraiser at the following times:

1. For Domains I, II, and III, after receiving a written observation summary with which the teacher disagrees; or

2. For Domain IV and for the performance of teachers' students, as defined in 19 Administrative Code 150.1001(f)(2), after receiving a written summative annual appraisal report with which the teacher disagrees.

The second appraisal must be requested within ten working days of receiving a written observation summary or a written summative annual appraisal report. A teacher may not request a second appraisal by another certified appraiser in response to a written summative annual appraisal report for the ratings of dimensions in Domains I, II, and III if those ratings are based entirely on observation summaries or written documentation already received by the teacher earlier in the appraisal year for which the teacher already had the opportunity to request a second appraisal.

A teacher may be given advance notice of the date or time of a second appraisal, but advance notice is not required.

The second appraiser shall make observations and walk-throughs as necessary to evaluate the dimensions in Domains I–III or shall review the Goal-Setting and Professional Development Plan for evidence of goal attainment and professional development activities, when applicable. Cumulative data may also be used by the second appraiser to evaluate other dimensions.

A district shall adopt written procedures for determining the selection of second appraisers. The procedures shall be disseminated to each teacher at the time of employment and updated annually or as needed.

Education Code 21.352(c); 19 TAC 150.1004(c)–(g)

Note: The following provisions apply to teacher appraisal using a district-developed appraisal method.

A district that does not choose to use the T-TESS must develop its own teacher-appraisal system supported by locally adopted policy and procedures and by the processes outlined below.

Development of
Appraisal System

The district-level planning and decision-making committee shall:

1. Develop an appraisal process;
2. Develop evaluation criteria, including discipline management and performance of the teachers' students; and
3. Consult with the campus-planning and decision-making committee on each campus in the district.

 2. A conference between the teacher and the appraiser that is diagnostic and prescriptive with regard to remediation needed in overall performance by category; and
 3. Criteria based on observable, job-related behavior, including:
 - a. Teachers' implementation of discipline management procedures, as defined in 19 Administrative Code 150.1001(f)(1); and
 - b. Beginning with the 2017–18 school year, the performance of the teachers' students as defined in 19 Administrative Code 150.1001(f)(2).

Board Acceptance A district-level planning and decision-making committee shall submit the appraisal process and criteria to the superintendent, who shall submit the appraisal process and criteria to the board with a recommendation to accept or reject.

The board may accept or reject, with comments, the appraisal process and performance criteria, but may not modify the process or criteria.

Education Code 21.352(a)(2), (b); 19 TAC 150.1007(a)

Note: The following provisions apply to teacher appraisal using a campus-developed appraisal method.

Campus Option A campus within a district may choose to develop a local appraisal system.

- Development of Appraisal System The campus planning and decision-making committee shall:

Board Acceptance

Upon submission of the appraisal process and criteria to the district-level planning and decision-making committee, the committee shall make a recommendation to accept or reject the appraisal process and criteria and transmit that recommendation to the superintendent.

The superintendent shall submit to the board:

1. The recommended campus appraisal process and criteria;
2. The district-level planning and decision-making committee's recommendation; and
3. The superintendent's recommendation.

The board may accept or reject, with comments, an appraisal process and performance criteria, but may not modify the process or criteria.

Education Code 21.352(a)(2), (b); 19 TAC 150.1007(b)

Note: The following provision applies to appraiser training under a local appraisal process (district- or campus-developed).

Appraisers

A district that locally develops and adopts its own educator appraisal system should have a clearly defined set of procedures for training appraisers. The district should identify the qualities appraisers must demonstrate and include appropriate proficiency checks to evaluate the performance of all educators performing appraisals under the district's locally adopted appraisal systems. The

school district shall be responsible for documenting that appraisers have met training criteria established by the district. *19 TAC 244.3*

Note: The standards to be used to inform the training, appraisal, and professional development of teachers are outlined in 19 Administrative Code 149.1001.
