Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal and local leave for the current year available for use at the beginning of the school year.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated

and available paid leave shall result in deductions from the employee's pay.

Leave Proration

*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave the employee used but had not earned as of the date of separation.

*Employed for Full
Year*

If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. For positions for which a substitute is normally required, leave shall be recorded in half-day increments, even if a substitute is not employed.
2. For positions for which a substitute is not normally required, leave shall be recorded on an hourly basis.
3. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.
4. If the employee chooses to offset leave against workers' compensation benefits, leave shall be recorded in the amount used.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995-96 school year.
3. State personal leave.

Use of sick leave pool days shall be permitted only after all available state and local leave has been exhausted.

Concurrent Use of Leave

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

Nondiscretionary Use

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

An employee who has exhausted all paid leave and who suffers from a catastrophic illness or injury or is absent due to the catastrophic illness or injury of a member of the employee's immediate family may request the establishment of a sick leave pool, to which District employees may voluntarily donate local leave or state personal leave for use by the eligible employee.

If the employee is unable to submit the request, a member of the employee's family or the employee's supervisor may submit the request to establish a sick leave pool.

Establishment

An employee may receive a maximum of 30 leave days from a pool in a school year. The limit shall include any days received from the balance of retirees' donated days [see Balance of Retirees' Leave Days, below].

Donations

The sick leave pool shall be composed of voluntary donations for a specific individual, and donated days shall be designated to a specific pool. No staff member shall be allowed to donate more than five leave days to sick leave pools in a school year.

The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent or designee as a request for temporary disability leave.
