
Note: Only districts that identify 15 or more eligible students are required to provide prekindergarten programs.

Tuition-Free

A district shall offer prekindergarten classes if it identifies 15 or more eligible students who are at least four years of age. A district may offer prekindergarten if it identifies 15 or more eligible children who are at least three years of age.

A district may not charge tuition for a prekindergarten program offered under these provisions.

Exemption

A district may apply to the commissioner of education (“commissioner”) for an exemption from the requirement that it provide a free prekindergarten program if the district would be required to construct classroom facilities in order to provide the program.
