Definitions

The term "immediate family" is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee's household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee's immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

Availability

For salaried employees, the District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

For all other employees, the District shall make state personal leave for the current year available for use at the beginning of the school year. Local leave shall be made available as earned.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee's pay.

Leave Proration

*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave, if applicable, shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave a salaried employee used but had not earned as of the date of separation. However, no such adjustment shall be made in the case of death of the employee or if the separation from employment is due to illness or injury certified by a physician, and the employee does not accept other employment.

*Employed for Full
Year*

If a salaried employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees, whether or not a substitute is employed.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Available leave shall be used in the order determined by each employee.

**Concurrent Use of
Leave**

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a

work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used:

Non-Discretionary
Use

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Non-discretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Local Leave

Professional employees hired prior to the 1988–89 school year shall continue to receive ten local personal leave days per school year.

All other employees shall receive five local personal leave days per school year.

Local leave shall accumulate to a maximum of 50 leave days.

Local leave shall be used according to the terms and conditions of state personal leave. [See STATE PERSONAL LEAVE, above]

Sick Leave Bank

The District shall establish a sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee experiences a catastrophic illness or injury and has exhausted all paid leave.

If the employee is unable to request leave from the sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

The Superintendent or designee shall develop regulations for the operation of the sick leave bank that address the following:

1. Membership in the sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the sick leave bank;
3. The maximum number of days per school year a member employee may receive from the sick leave bank;
4. The committee or administrator authorized to consider requests for leave from the sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the sick leave bank.

Appeal

A member may appeal the decision of the sick leave bank committee by writing a letter to the executive officer requesting to appear in person before the committee.

All decisions regarding the sick leave bank may be further appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee eligible for workers' compensation income benefits, and not on assault leave, may elect in writing to use paid leave.

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance. The employee shall be required to present documentation of the court appearance or duty and shall be allowed to retain any compensation received.

Absences for court appearances related to an employee's personal business not related to a valid subpoena shall be deducted from the employee's leave or, at the option of the employee, shall be taken as leave without pay.

**Neutral Absence
Control**

If an employee does not return to work after exhausting all available paid and unpaid leave, the District shall provide the employee written notice that he or she no longer has leave available for use. The District shall automatically pursue termination of an employee who has exhausted all available leave, regardless of the reason for the absence [see DF series]. The employee's eligibility for reasonable accommodations, as required by the Americans with Disabilities Act [see DAA(LEGAL)], shall be considered before termination. If terminated, the employee may apply for reemployment with the District.

**Reimbursement for
Leave at Retirement**

Employees hired before January 1, 1985, who intend to retire from the District shall remain eligible for the District's accrued service benefit plan, which includes reimbursement for eligible accrued local leave days.

[See DEG(LOCAL) for a description of the accrued service benefit plan]
