Claims for Reimbursement

Internal Controls

The school food authority shall establish internal controls which ensure the accuracy of meal counts prior to the submission of the monthly claim for reimbursement under the NSLP or the SBP, as applicable. At a minimum, these internal controls shall include an on-site review of the meal counting and claiming system employed by each school within the jurisdiction of the SFA; comparisons of daily free, reduced-price, and paid meal counts against data which will assist in the identification of meal counts in excess of the number of free, reduced-price, and paid meals served each day to children eligible for such meals; and a system for following up on those meal counts which suggest the likelihood of meal counting problems. *7 C.F.R. 210.8(a), 220.11(a)*

On-Site Reviews

Every school year, each SFA with more than one school shall perform no less than one on-site review of the counting and claiming system and the readily observable general areas of review cited under *7 C.F.R. 210.18(h)* [regarding general areas of review by the Texas Department of Agriculture (TDA)] for each school under its

jurisdiction under the NSLP, and for a minimum of 50 percent of schools under its jurisdiction with every school being reviewed at least once every two years under the SBP.

The on-site review shall take place prior to February 1 of each school year. Further, if the review discloses problems with a school's meal counting or claiming procedures or general review areas, the SFA shall ensure that the school implements corrective action and, within 45 days of the review, conduct a follow-up on-site review to determine that the corrective action resolved the problems. Each on-site review shall ensure that the school's claim is based on the counting system and that the counting system, as implemented, yields the actual number of reimbursable free, reduced price, and paid meals, respectively, served for each day of operation.

**Community
Eligibility Provision**

The community eligibility provision (CEP) is an alternative reimbursement option for eligible high-poverty districts. Each CEP cycle lasts up to four years before the LEA or school is required to recalculate their reimbursement rate. LEAs and schools have the option to recalculate sooner, if desired. An LEA may elect this provision for all of its schools, a group of schools, or an individual school. Participating LEAs must offer free breakfasts and lunches for the length of their CEP cycle, not to exceed four successive years, to all children attending participating schools and receive meal reimbursement based on claiming percentages, as described in 7 C.F.R. 245.9(f)(4)(v). 7 C.F.R. 245.9(f); 42 U.S.C. 1759a(a)(1)(F)

To be eligible to participate in the CEP, an LEA, group of schools, or school must:

1. Have an identified student percentage of at least 40 percent, as of April 1 of the school year prior to participating in the CEP, unless otherwise specified by the USDA Food and Nutrition Service (FNS). Individual schools participating in a group may have less than 40 percent identified students, provided that the average identified student percentage for the group is at least 40 percent.
2. Participate in the NSLP and SBP for the duration of the four-year cycle. Schools that operate on a limited schedule, where it is not operationally feasible to offer both lunch and breakfast, may elect CEP with FNS approval.
3. Comply with the procedures and requirements specified in 7 C.F.R. 245.9(f)(4) to participate in the CEP.

7 C.F.R. 245.9(f)(3)
