7. The District may reject any and all bids and proposals in accordance with state or federal law, as applicable.

**Electronic Bids or Proposals**

Bids or proposals that the District has chosen to accept through electronic transmission shall be administered in accordance with state law. The District shall establish rules to:

[See CE] The Board shall not be responsible for debts incurred by persons or organizations not directly under Board control. Persons making unauthorized purchases shall assume full responsibility for all such debts.

**Encouragement of Small, Local, and HUB Firms’ Participation**
The District shall attempt to include and encourage bids from small and local firms, as well as firms owned or operated by minorities or women. The District shall also promote and encourage race and gender neutral measures to ensure equal opportunity in contracting.

**Historically Underutilized Business (HUB)**
A Historically Underutilized Business (HUB) shall be defined as a business in which at least 51 percent of the ownership and management is by minority group members or women, or in the case of a publicly owned business, at least 51 percent of the stock is owned and managed by minority group members or women.

The District encourages full participation in all phases of procurement activities and shall afford a full and fair opportunity to all vendors to compete for District contracts. The purposes and objectives of the District’s HUB program are as follows:

1. To ensure that the District is not a passive participant in a discriminatory marketplace;
2. To ensure that the HUB program is narrowly tailored;
3. To provide opportunities for HUB firms to broaden and enhance their capacities to do business with the District; and
4. To administer the HUB program in a manner consistent with applicable federal and state laws.

HUB Program Administration and Goals

The Board shall establish narrowly tailored program goals based on current evidence of utilization and availability. [See CH(EXHIBIT)]

The District shall review these aspirational goals on an annual basis as part of assessing its progress toward eliminating discrimination in contracting activities in the marketplace, and may adjust the goals based on the relative HUB availability data collected by the District.

Aspirational goals are intended to serve as a benchmark against which to measure the overall effectiveness of the program. As such, aspirational goals shall be stated only in those solicitations that do not contain contract-specific participation goals for HUBs.

Program Responsibilities

The Board delegates to the Superintendent the overall responsibility to interpret, administer, and enforce HUB program policies, standards, definitions, criteria, and procedures in a manner to achieve its stated objectives and purposes.

Reporting

The Superintendent shall report to the Board on an annual basis, or as directed, regarding the District's progress toward satisfying the HUB program policy objectives, and to make recommendations.
for any necessary adjustments or amendments to the policy and administration of the program to fully effectuate its purposes.

**Right to Protest (File a Complaint)**

Any bidder or proposer who is aggrieved in connection with a procurement decision or HUB program policy decision may file a protest with the CFO or designee. The protest shall be submitted in writing within 15 business days after the facts or occurrence giving rise to the complaint. [See GF]

**Procurements after Protest**

In the event of a timely protest, the responsible office shall not proceed further with the procurement unless the CFO or designee makes a determination that the award of the contract is necessary to protect substantial interests of the District.

**Authority to Resolve Protests**

The CFO or designee shall have the authority to take any action reasonably necessary to resolve a protest of an aggrieved bidder or proposer concerning a procurement decision.

**Determination and Appeal**

The CFO or designee shall promptly issue a determination relating to the protest. The determination shall:

1. State the reasons for the action taken; and

A copy of the determination shall be provided to the protesting party.

Consistent with the financial oversight requirements of policy CAA(LOCAL), in order to be considered, competitive bids and proposals submitted to the District shall contain the signed certification set out at CH(EXHIBIT).

**Employee Conflict of Interest**

The District shall not purchase goods or services from employees or their immediate family members, as defined in DEC(LOCAL), without prior approval from the Superintendent. [See DBD]

The District may purchase services or equipment from a business owned in whole or in part by a person related to a District employee by blood (consanguinity) within the third degree, or by marriage (affinity) within the second degree, that results in the employee receiving compensation directly or indirectly only in the following circumstances:

1. The District employee does not exercise discretion in connection with contracts, purchases, payments, claims, or other pecuniary transactions related to the services or equipment supplied by the business. The business shall not be permitted to
sell services or equipment to the District employee’s department and department affiliates or campus and campus feeder pattern, as applicable, for as long as the employee continues in the department or campus position;

2. The business transaction has been approved by the Superintendent; and
