Information Required on Website

A district that at any time on or after January 1, 2019, maintained a publicly accessible internet website shall post on a publicly accessible website the following information:

1. The district's contact information, including a mailing address, telephone number, and email address;

2. Each member of the board;

3. The date and location of the next election for board members [see BB series];

4. The requirements and deadline for filing for candidacy of board member, which shall be continuously posted for at least one year before the election day for the office [see BB series];

5. Each notice of a meeting of the board under the Open Meetings Act (Government Code Chapter 551, Subchapter C) [see BE]; and

6. Each record of a meeting of the board under Government Code 551.021 [see BE].

Items 5 and 6 above do not apply to a district with a population of less than 5,000 in the district's boundaries and located in a county with a population of less than 25,000.

Gov't Code 2051.151–.152

Trustee Information

Each district that maintains an internet website shall post on the website the name, email address, and term of office, including the date the term began and the date the term expires, of each member of the district's board of trustees. If a district does not maintain an internet website, the district shall submit the information required above to the Texas Education Agency (TEA). On receipt of the district's information, TEA shall post the information on TEA's internet website.

Each time there is a change in the membership of a district's board, the district shall update the information required above and, as applicable post the updated information on the district's internet website or submit the updated information to TEA for posting on TEA's internet website.

Education Code 11.1518
Note: The following is an index of website posting requirements that are addressed in the legal reference material of the policy manual. The list is not all-inclusive. The list does not address postings that are required in response to a specific incident or postings required under special circumstances.

Other Required Internet Postings

Geospatial Data Products

“Geospatial data product” means a document, computer file, or internet website that contains geospatial data; a map; or information
about a service involving geospatial data or a map. Gov’t Code 2051.101(1)

Notice

A district shall include a notice on each geospatial data product that:

1. Is created or hosted by the district;
2. Appears to represent property boundaries; and
3. Was not produced using information from an on-the-ground survey conducted by or under the supervision of a registered professional land surveyor or land surveyor authorized to perform surveys under laws in effect when the survey was conducted.

The notice must be in substantially the following form: “This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries.”

The notice may include language further defining the limits of liability of a geospatial data product producer; apply to a geospatial data product that contains more than one map; or for a notice that applies to a geospatial data product that is or is on an internet website, be included on a separate page that requires the person accessing the website to agree to the terms of the notice before accessing the geospatial data product.

Gov’t Code 2051.102

Exemption

A district is not required to include the notice on a geospatial data product that:

1. Does not contain a legal description, a property boundary monument, or the distance and direction of a property line;
2. Is prepared only for use as evidence in a legal proceeding;
3. Is filed with the clerk of any court; or
4. Is filed with the county clerk.
