

Student Code of Conduct

The District's rules of discipline are maintained in the Board-adopted Student Code of Conduct and are established to support an environment conducive to teaching and learning.

Rules of conduct and discipline shall not have the effect of discriminating on the basis of gender, race, color, disability, religion, ethnicity, or national origin.

At the beginning of the school year and throughout the school year as necessary, the Student Code of Conduct shall be:

1. Posted and prominently displayed at each campus or made available for review in the principal's office, as required by law; and
2. Made available on the District's website and/or as a hard copy to students, parents, teachers, administrators, and others on request.

Revisions

Revisions to the Student Code of Conduct approved by the Board during the year shall be made available promptly to students and parents, teachers, administrators, and others.

Extracurricular Standards of Behavior

With the approval of the principal and director of extracurricular programs, a sponsor, a coach of an extracurricular activity, or another staff member responsible for supervision shall develop and enforce standards of behavior that are higher than the District-developed Student Code of Conduct and may condition membership or participation in the activity on adherence to those standards.

A student who elects to participate in extracurricular or cocurricular activities shall be subject to the expectations of the staff member who is responsible for supervising the activity.
