

Courses in the foundation and enrichment curriculum in grades 6–12 must be provided in a manner that allows all grade promotion and high school graduation requirements to be met in a timely manner. A district is not required to offer a specific course in the foundation and enrichment curriculum except as specified in 19 Administrative Code 74.3. *19 TAC 74.3(c)*

Grades 6–8

A district that offers grades 6–8 must provide instruction in the required curriculum as specified in 19 Administrative Code 74.1, relating to essential knowledge and skills. A district must ensure that sufficient time is provided for teachers to teach and for students to learn English language arts, mathematics, science, social studies, at least one of the four disciplines in fine arts (art, dance, music, theatre), health, physical education, technology applications, and to the extent possible, languages other than English. The school district may provide instruction in a variety of arrangements and settings, including mixed-age programs designed to permit flexible learning arrangements for developmentally appropriate instruction for all student populations to support student attainment of course and grade level standards. *19 TAC 74.3(a)(1)*

Physical Activity
Requirements

A district shall require students in grades 6–8 to participate in moderate or vigorous daily physical activity for at least 30 minutes for at least four semesters during those grade levels as part of the district's physical education curriculum.

A district may as an alternative require a student enrolled in a grade level for which the district uses block scheduling to participate in moderate or vigorous physical activity for at least 225 minutes during each period of two school weeks.

Exemptions

A district must provide an exemption for:

1. A student who is unable to participate in the required physical activity because of illness or disability; and
2. A student who participates in an extracurricular activity with a moderate or vigorous physical activity component that is considered a structured activity and meets the requirements for extracurricular activity as defined at 19 Administrative Code 76.1001.

A district may allow an exemption for a student on a middle or junior high school campus participating in a school-related activity or an activity sponsored by a private league or club only if that activity meets each of the following requirements:

1. The activity must be structured;
2. The board must certify the activity; and

3. The student must provide proof of participation in the activity.

A “structured activity” is an activity that meets, at a minimum, each of the following requirements:

1. The activity is based on the grade appropriate movement, physical activity and health, and social development strands of the essential knowledge and skills for physical education specified in 19 Administrative Code Chapter 116; and
2. The activity is organized and monitored by school personnel or by appropriately trained instructors who are part of a program that has been certified by the board.

Education Code 28.002(l)–(l-1); 19 TAC 103.1003

Fine Arts
Requirement

The school district must ensure that, beginning with students who enter grade 6 in the 2010–11 school year, each student completes one Texas Essential Knowledge and Skills-based fine arts course in grade 6, grade 7, or grade 8. *Education Code 28.002(c-1); 19 TAC 74.3(a)(2)*

A district shall offer and maintain evidence that students have the opportunity to take courses in at least three of the four disciplines in fine arts. The requirement to offer three of the four disciplines in fine arts may be reduced to two by the commissioner of education upon application of a school district with a total middle school enrollment of less than 250 students. *19 TAC 74.3(a)(3)*

Instruction in High
School, College,
and Career
Preparation

Each district shall provide instruction to students in grade 7 or 8 in preparing for high school, college, and a career. The instruction must include information regarding:

1. The creation of a high school personal graduation plan under Education Code 28.02121;
2. The distinguished level of achievement described by Education Code 28.025(b-15);
3. Each endorsement described by Education Code 28.025(c-1);
4. College readiness standards; and
5. Potential career choices and the education needed to enter those careers.

A district may provide the instruction as part of an existing course in the required curriculum; provide the instruction as part of an existing career and technology course designated by the State Board of Education (SBOE) as appropriate for that purpose; or establish a new elective course through which to provide the instruction.

Education Code 28.016

**High School Courses
at Earlier Grades**

A district may offer courses designated for grades 9–12 in earlier grade levels. *19 TAC 74.26(b)*

**Grades 9–12 Course
Offerings**

A district that offers grades 9–12 shall provide instruction in the required curriculum as specified in 19 Administrative Code 74.1. A district shall ensure that sufficient time is provided for teachers to teach and for students to learn the subjects in the required curriculum. *19 TAC 74.3(b)(1)*

A district shall offer the courses listed below in grades 9–12 and shall maintain evidence that students have the opportunity to take these courses:

1. English language arts — English I, II, III, IV, and at least one additional advanced English course.
2. Mathematics — Algebra I, Algebra II, Geometry, Precalculus, and Mathematical Models with Applications.

 - m. Robotics Programming and Design;
 - n. 3-D Modeling and Animation;
 - o. Web Communications;
 - p. Web Design; and
 - q. Web Game Development.
10. Speech — Communications Applications.
11. Each district shall provide an elective course in personal financial literacy that meets the requirements for a one-half elective credit, using materials approved by the SBOE. The instruction in personal financial literacy must include instruction on completing the application for federal student aid provided by the Department of Education. In fulfilling the requirement to provide financial literacy instruction, a district may use an existing state, federal, private, or nonprofit program that provides students without charge the described instruction.

19 TAC 74.3(b)(2); Education Code 28.0021(b)

A district must provide each student the opportunity each year to select courses in which he or she intends to participate from a list that includes all courses listed above. If a district will not offer all required courses every year, but intends to offer particular courses only every other year, it must notify all enrolled students of that fact.

A district shall teach any course a student is specifically required to take for high school graduation at least once in any two consecutive school years. For a subject that has an end-of-course assessment, a district shall either teach the course every year or use alternate delivery systems, as described in 19 Administrative Code Chapter 74, Subchapter C, to enable students to earn credit for the course and shall maintain evidence thereof.

19 TAC 74.3(b)(4)

A district may offer additional courses from the complete list of courses approved by the SBOE to satisfy graduation requirements.
19 TAC 74.3(b)(3)

Applied Courses

A school district may offer the foundation curriculum in an applied manner. The courses delivered in an applied manner must cover the essential knowledge and skills, and the student shall be administered the applicable end-of-course assessment instrument. *Education Code 28.025(b-4)*

Research Writing Component

For students entering grade 9 beginning with the 2007–08 school year, districts must ensure that one or more courses offered in the required curriculum for the Recommended and Advanced/Distinguished Achievement High School Programs include a research writing component. *19 TAC 74.3(b)(5)*

Parenting Awareness Program

High School

A district shall use the parenting and paternity awareness program developed by the SBOE in its high school health curriculum.

Middle and Junior High School

A district may use the program in the district's middle or junior high school curriculum.

Program Requirements

Implementation of this requirement shall comply with the requirement that the board establish a local school health advisory council to assist the district in ensuring that local community values are reflected in the district's health education instruction.

A district may add elements at its discretion but must include the following areas of instruction:

1. Parenting skills and responsibilities, including child support;
2. Relationship skills, including money management, communication, and marriage preparation; and
3. Skills relating to the prevention of family violence, only if the district's middle, junior high, or high schools do not have a family violence program.

At the discretion of the district, a teacher may modify the suggested sequence and pace of the program at any grade level.

Local Programs and Materials

A district may develop or adopt research-based programs and curriculum materials for use in conjunction with the program developed by the SBOE. The programs and curriculum materials may provide instruction in:

1. Child development;
2. Parenting skills, including child abuse and neglect prevention; and
3. Assertiveness skills to prevent teenage pregnancy, abusive relationships, and family violence.

Parent Permission

A student under 14 years of age may not participate in the program without the permission of the student's parent or person standing in parental relation to the student.

Education Code 28.002(p); 19 TAC 74.35(a)

Alcohol Awareness Instruction

A district shall incorporate instruction in the dangers, causes, consequences, signs, symptoms, and treatment of binge drinking and alcohol poisoning into any course meeting a requirement for a health education credit.

A district shall choose an evidence-based alcohol awareness program to use in the district's middle school, junior high school, and high school health curriculum from a list of programs approved by the commissioner for this purpose.

"Evidence-based alcohol awareness program" means a program, practice, or strategy that has been proven to effectively prevent or delay alcohol use among students, as determined by evaluations that use valid and reliable measures and that are published in peer-reviewed journals.

Education Code 28.002(r); 19 TAC 74.35(b)

CPR Instruction

For all students who entered grade 7 in the 2010–11 school year and thereafter, a district shall provide instruction to students in grades 7–12 in cardiopulmonary resuscitation (CPR). The instruction may be provided as a part of any course. A student shall receive the instruction at least once before graduation from high school.

CPR instruction must include training that has been developed by the American Heart Association or the American Red Cross or us-

ing nationally recognized, evidence-based guidelines for emergency cardiovascular care and incorporating psychomotor skills to support the instruction.

A district may use emergency medical technicians, paramedics, police officers, firefighters, representatives of the American Heart Association or the American Red Cross, teachers, other school employees, or other similarly qualified individuals to provide instruction and training. Instruction is not required to result in CPR certification. If instruction is intended to result in certification, the course instructor must be authorized to provide the instruction by the American Heart Association, the American Red Cross, or a similar nationally recognized association; otherwise, an instructor is not required to be certified in CPR.

Waivers for
Students with
Disabilities

A district may waive this requirement for a student who, due to a disability, is unable to complete the instruction. The determination regarding a student's ability to complete the CPR requirement must be made by:

1. The student's admission, review, and dismissal (ARD) committee if the student receives special education services under Education Code, Chapter 29, Subchapter A; or
2. The committee established for the student under Section 504, if the student does not receive special education services, but is covered by Section 504.

Education Code 28.0023 (c)–(e), (g); 19 TAC 74.38

Donations

A district may accept from TEA donations the agency receives under Education Code 7.026 for use in providing instruction to students in the principles and techniques of CPR. A district may accept other donations, including donations of equipment, for use in providing CPR instruction. *Education Code 29.903*

**Proper Interaction
with a Peace Officer**

For any student entering grade 9 in the 2018–19 school year and thereafter, a district shall provide instruction in one or more courses to students in grades 9–12 on proper interaction with peace officers during traffic stops and other in-person encounters. The required instruction may be provided as part of any course or courses and must be provided to each student at least once before graduation from high school.

The instruction must include all the information required by 19 Administrative Code 74.39(b). A district shall use materials developed through a memorandum of understanding among the Texas Commission on Law Enforcement, the State Board of Education, and the Texas Education Agency. A district may tailor the instruction de-

veloped under this section as appropriate for the district's community. In tailoring the instruction, the district shall solicit input from local law enforcement agencies, driver training schools, and the community.

A district shall clearly indicate on the transcript or academic achievement record the year in which the instruction was provided to the student.
