

ADMINISTRATIVE ORGANIZATION PLAN  
COUNCILS AND FACULTY SENATES

BGC  
(LOCAL)

The role of the faculty in ensuring the quality of the educational programs of the College District shall be conducted as required by the Principles of the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) through standing committees of the College District. In addition, the administration and staff also share a role in College District governance through standing committees.

The Chancellor shall be responsible for the administrative organization of the College District. Standing or ad hoc committees and/or councils shall be created to satisfy SACSCOC requirements. Current standing councils and committees can be found in the Administrative Regulations Manual.
