

**Hazardous Traffic  
Conditions and  
High-Risk Areas**

If the District applies for the additional transportation allotment provided by the state for students who live within two miles of a school campus, the Board shall adopt a resolution to identify hazardous traffic conditions or areas presenting a high risk of violence within two miles of the school campus. The resolution shall include the specific hazardous or high-risk areas in which transportation shall be provided, and the District shall publish the locations of these routes. The Board shall adopt a revised resolution when necessary to accurately reflect changes to the conditions or areas.

**Bus Stops**

All students who use District transportation must board buses at an authorized stop. Authorized stops shall be designated annually by the Superintendent or designee. Bus drivers must load and unload passengers only at authorized stops as designated by the Superintendent or designee. Authorized stops may be added, removed, or modified by the Superintendent or designee at any time. All bus stops shall be approved by the Board.
