

**Disposal of College
District Property**

The College President or designee is authorized to declare College District personal property, including materials, equipment, vehicles, and supplies, to be unnecessary.

If the unnecessary property has value, the College President or designee shall:

1. Dispose of the unnecessary property for fair market value;
2. Dispose of the unnecessary property through a method expressly authorized by law; or
3. Recommend to the Board for approval an alternative method of disposal for less than fair market value. Before approving the disposal of the unnecessary property for less than fair market value, the Board shall determine that the conveyance is not a gift of public funds by making the following findings:
 - a. The predominant purpose of the alternative method of disposal is to accomplish a public purpose, not to benefit private parties;
 - b. The Board shall retain sufficient control over the disposed items to ensure the public purpose is accomplished and to protect the public's investment; and
 - c. The College District shall receive a return benefit.

If the unnecessary property has no value, the College President or designee may dispose of such property according to administrative discretion.

Items obtained with federal funds or as federal surplus shall be managed according to federal regulations.
