

**College District  
Contribution**

The College District shall contribute the following amounts to the health insurance premiums for employees eligible to participate in the Texas Employees Uniform Group Insurance Program:

1. For an eligible full-time employee who works at least 30 hours per week, 100 percent to the premiums for the employee and 50 percent to the premiums for that employee's eligible dependents.
2. For an eligible part-time employee who works less than 30 hours per week, 50 percent to the premiums for the employee and 25 percent to the premiums for that employee's eligible dependents.

The Board may allocate funds as part of the annual budget development and adoption process for contributions to employee premiums for any additional health and life insurance programs available to employees.

**Continuation  
Coverage**

The College District shall continue its contribution toward the cost of the employee's group health insurance coverage while the employee is on paid leave or, if applicable, while the employee is on family and medical leave. [See DEC]

The College District shall not otherwise expend public funds for group health insurance coverage of an employee who is not on paid leave status. However, an employee who is not on paid leave status or Family and Medical Leave Act (FMLA) leave shall be allowed to continue group health insurance coverage, at his or her own expense, for the period specified in the College District's group health insurance plan.
