

To unite home, school, and community in the learning process and develop citizens who are better prepared for the future;

In a way that:

- Increases accountability to and achievement for all students, and fosters positive community, parent, teacher, and student relationships;
- Develops cultural awareness;
- Enhances professional and staff development;
- Provides appropriate curriculum; and
- Builds a unified team through administrative and Board leadership and support;

So that all students in Poth Independent School District have the opportunity to achieve their maximum potential.
