Contributions

In addition, each payroll period and for each rehired retiree who is enrolled in TRS Care (retiree group health insurance), a district shall contribute to the TRS Care trust fund an amount established by TRS. Decreasing Pay

The commissioner has held that a district may reduce educator compensation if it gives sufficient warning of a possible reduction in pay when educators can still unilaterally resign from their contracts. A sufficient warning must be both formal enough and specific enough to give educators a meaningful opportunity to decide whether to continue employment with a district. *Brajenovich v. Alief Indep. Sch. Dist., Tex. Comm'r of Educ. Decision No. 021-R10-1106 (2009)*

Widespread Salary Reductions

The following provisions apply only to a widespread reduction in the amount of annual salaries paid to classroom teachers in a district based primarily on district financial conditions rather than on teacher performance.

For any school year in which a district has reduced the amount of the annual salaries paid to classroom teachers from the amount paid for the preceding school year, the district shall reduce the amount of the annual salary paid to each district administrator or other professional employee by a percent or fraction of a percent that is equal to the average percent or fraction of a percent by which teacher salaries have been reduced.

<i>Funding Levels</i>	Not later than July 1 of each year, the commissioner shall determine for each district whether the estimated amount of state and local funding per student in weighted average daily attendance to be provided to the district under the Foundation School Program for maintenance and operations for the following school year is less than the amount provided to the district for the 2010–11 school year. If the amount estimated to be provided is less, the commissioner shall certify the percentage decrease in funding to be provided to the district. <i>Education Code 48.010</i>
<i>Salaries</i>	Notwithstanding Education Code 21.402 (minimum salary schedule), a board may reduce the salary of an employee who is furloughed in proportion to the number of days by which service is reduced. Any reduction in the amount of the annual salary must be equally distributed over the course of the employee's current contract with the district.
<i>Furlough Days</i>	A furlough program must subject all contract personnel to the same number of furlough days. An educator may not be furloughed on a day that is included in the number of days of instruction required under Education Code 25.081 [see EB]. Implementation of a furlough program may not result in an increase in the number of required teacher workdays. An educator may not use personal, sick, or any other paid leave while the educator is on a furlough.
<i>Contract Resignation</i>	If a board adopts a furlough program after the date by which a teacher must give notice of resignation from a probationary, term, or continuing contract [see DFE], an employee who subsequently resigns is not subject to sanctions imposed by SBEC.
<i>No Appeal</i>	A decision by a board to implement a furlough program is final and may not be appealed and does not create a cause of action or require collective bargaining. <i>Education Code 21.4021</i>
<i>Salary Reduction / Furlough Process</i>	A board may not implement a furlough program under Education Code 21.4021 or reduce salaries until the district has complied with the requirements below.
<i>Employee Involvement</i>	A district must use a process to develop a furlough program or other salary reduction proposal, as applicable, that: <ol style="list-style-type: none">1. Includes the involvement of the district's professional staff; and

3. Information regarding the local option residence homestead exemption.
