**Consistent  
Application for  
Graduating Class**

The District shall apply the same class rank calculation method and rules for local graduation honors for all students in a graduating class, regardless of the school year in which a student first earned high school credit.

The calculation shall not include failing grades.

**Exclusions**

The calculation of class rank shall exclude grades earned in an assigned remediation or tutoring course; a credit recovery course; any local credit course; any course for which a pass/fail grade is earned; summer school; or through credit by examination, with or without prior instruction.

System**

The District shall categorize and weight eligible courses as Advanced or Regular in accordance with provisions of this policy and as designated in appropriate District publications.

**Local Graduation Honors** For the purpose of determining honors to be conferred during graduation activities, the District shall calculate class rank in accordance with this policy and administrative regulations by using grades available at the time of calculation at the end of the third six-week grading period of the senior year. For the purpose of applications to institutions of higher education, the District shall also calculate class rank as required by state law. The District's eligibility criteria for local graduation honors shall apply only for local recognitions and shall not restrict class rank for the purpose of automatic admission under state law. [See EIC(LEGAL)]

Valedictorian and  
Salutatorian

The valedictorian and salutatorian shall be the eligible students with the highest and second highest rank, respectively. To be eligible for this local graduation honor, a student must have been continuously enrolled in the District high school for the entire last two years prior to graduation.

*Breaking Ties*

In case of a tie in weighted GPAs after calculation to the thousandths place, the District shall calculate a weighted GPA using only eligible grades in Advanced courses taken by each student involved in the tie.

If the tie is not broken after applying these methods, the District shall recognize all students involved in the tie as sharing the honor and title.

**Highest-Ranking  
Graduate**

The local eligibility criteria for recognition as the valedictorian shall not affect recognition of the highest-ranking graduate for purposes of receiving the honor graduate certificate from the state of Texas.
