Notification of Criminal History

A person or business entity that enters into a contract with a district must give advance notice to the district if the person or an owner or operator of the business entity has been convicted of a felony. A district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give such notice or misrepresented the conduct resulting in the conviction. Education Code 22.0834 does not apply to a contracting entity, subcontracting entity, or other person subject to Education Code 22.08341. [See Criminal History—Certain Public Works Contractors, below]  *Education Code 22.0834(a-1)*
