**Texas Virtual School Network**

The TXVSN is a state-led initiative for online learning authorized by Education Code Chapter 30A. The TXVSN is a partnership network administered by TEA in coordination with regional education service centers (ESCs), Texas public school districts and charter schools, institutions of higher education, and other eligible entities.

The TXVSN is comprised of two components—the online school (OLS) program and the statewide course catalog.

*19 TAC 70.1001(4)*

**Online School (OLS) Program**

“Online School (OLS) program” is a full-time, virtual instructional program that is made available through an approved course provider and is designed to serve students in grades 3–12 who are not physically present at school. *19 TAC 70.1001(7)*

A TXVSN OLS may serve students in grades 3–12 but may not serve students in kindergarten–grade 2.

A school district that operates a TXVSN OLS that serves students in full-time virtual instruction shall, prior to the start of each academic year, notify TEA of grade levels to be served and the total number of students to be served during that academic year. A school district may not add grade levels after the start of the school year.

A TXVSN OLS or a school district wishing to add additional grade levels to its online program shall certify that the OLS has courses sufficient to comprise a full instructional program for each additional grade level to be served by the OLS prior to serving that grade level.

School districts approved to serve as TXVSN OLSs shall follow the TEA procedures related to obtaining a campus number for the virtual campus through which they serve their TXVSN OLS students.

School districts serving as TXVSN OLSs must follow all requirements in 19 Administrative Code 70.1011.

*19 TAC 70.1011*

Statewide Course Catalog

“Statewide course catalog” is a supplemental online high school instructional program available through approved providers. *19 TAC 70.1001(10)*

Course Providers

A TXVSN course provider is an entity that provides an electronic course through the TXVSN. Course providers include TXVSN OLSs and providers in the statewide course catalog. *19 TAC 70.1001(8)*

“Electronic course” means an educational course in which:

1. Instruction and content are delivered primarily over the internet;
2. A student and teacher are in different locations for a majority of the student’s instructional period;

4. The online instructional activities are integral to the academic program;
5. Extensive communication between a student and a teacher and among students is emphasized; and
6. A student is not required to be located on the physical premises of a school district or open-enrollment charter school.

An electronic course is the equivalent of what would typically be taught in one semester. For example: English IA is treated as a single electronic course and English IB is treated as a single electronic course.

*Education Code 30A.107(c)*

*Enrollment,  
Advancement,  
and Withdrawal*

A student taking a course through the TXVSN statewide course catalog or a TXVSN OLS program is considered to:

1. Be enrolled in a TXVSN course when he or she begins receiving instruction and actively engages in instructional activities in a TXVSN subject area or course;
2. Have successfully completed a course if the student demonstrates academic proficiency and earns credit for the course, as determined by the TXVSN teacher; and
3. Be, and must be reported as, withdrawn from the TXVSN when the student is no longer actively participating in the TXVSN course or program.

A student taking a course through the TXVSN statewide course catalog:

A student enrolled full time in grades 3–8 must demonstrate academic proficiency sufficient to earn promotion to the next grade, as determined by the TXVSN teacher for the educational program.

*19 TAC 70.1015*

*Compulsory  
Attendance*

Texas public school students are not required to be in physical attendance while participating in courses through a TXVSN OLS or the TXVSN course catalog.

Based upon successful completion of a TXVSN course for students in grades 9–12 or a TXVSN OLS instructional program for students in grades 3–8, students are considered to have met attendance requirements for that course or program. A student who has successfully completed the grade level or course is eligible to receive any weighted funding for which the student is eligible.

For audit purposes, TXVSN course providers and TXVSN receiver districts shall maintain documentation to support the students' successful completion and to support verification of compulsory attendance.

"TXVSN receiver district" means a Texas public school district that has students enrolled in the school district who take one or more online courses through the TXVSN statewide course catalog.

The policy must be consistent with the requirements regarding notice, enrollment requests, and students with disabilities as described below.

A district shall, at least once per school year, send to a parent of each district student enrolled at the middle or high school level a copy of the policy. A district may send the policy with any other information that the district sends to a parent.

*Education Code 30A.007; 19 TAC 70.1033*

*Notice*

At the time and in the manner that a district informs students and parents about courses that are offered in the district's traditional

classroom setting, the district shall notify parents and students of the option to enroll in an electronic course offered through the TXVSN.

*Requests to  
Enroll*

Except as provided below, a district may not deny the request of a parent of a full-time student to enroll the student in an electronic course offered through the TXVSN.

A district may deny a request to enroll a student in an electronic course if:

1. A student attempts to enroll in a course load that is inconsistent with the student's high school graduation plan or requirements for college admission or earning an industry certification;
2. The student requests permission to enroll in an electronic course at a time that is not consistent with the enrollment period established by the district providing the course; or
3. The district offers a substantially similar course.

The course provider shall make all reasonable efforts to accommodate the enrollment of a student in the course under special circumstances.

If a parent of a student requests permission to enroll the student in a TXVSN course, a district has discretion to select a course provider approved by TEA for the course in which the student will enroll based on factors including the informed choice report required by Education Code 30A.108(b).

*Appeals*

A parent may appeal to the commissioner a district's decision to deny a request to enroll a student in an electronic course offered through the TXVSN. The commissioner's decision under this subsection is final and may not be appealed.

*Education Code 26.0031; 19 TAC 70.1008, .1035*

*Students with  
Disabilities*

For purposes of the policy, the determination of whether or not an electronic course will meet the needs of a student with a disability shall be made by the student's admission, review, and dismissal (ARD) committee in a manner consistent with state and federal law, including the Individuals with Disabilities Education Act, 20 U.S.C. 1400 et seq., and Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. Section 794. *Education Code 30A.007(b)*

Inducements for Enrollment Prohibited	<p>A course provider may not promise or provide equipment or any other thing of value to a student or a student's parent as an inducement for the student to enroll in an electronic course offered through the TXVSN. The commissioner shall revoke approval of electronic courses offered by a course provider that violates this prohibition. The commissioner's action under this section is final and may not be appealed. <i>Education Code 30A.1052</i></p>
Course Portability	<p>A student who transfers from one educational setting to another after beginning enrollment in an electronic course is entitled to continue enrollment in the course. <i>Education Code 30A.1051; 19 TAC 70.1015(d)</i></p>
Student Assessment	<p>All Texas public school students enrolled in the TXVSN are required to take the statewide assessments as required in Education Code 39.023 [see EKB]. The administration of the assessment instrument to the student enrolled in the electronic course must be supervised by a proctor.</p> <p>A district shall report to the commissioner through the Public Education Information Management System (PEIMS) the results of assessment instruments administered to students enrolled in an electronic course offered through the TXVSN separately from the results of assessment instruments administered to other students.</p> <p>All districts participating in the TXVSN OLS program are included in the state's academic accountability system.</p> <p><i>Education Code 30A.110; 19 TAC 70.1023</i></p>
Funding	<p>A district in which a student is enrolled is entitled to funding under Education Code Chapter 48 for the student's enrollment in a TXVSN course in the same manner that the district is entitled to funding for the student's enrollment in courses provided in a traditional classroom setting, provided that the student successfully completes the electronic course.</p> <p>Funding is limited to a student's enrollment in not more than three electronic courses during any school year, unless the student is enrolled in a full-time online program that was operating on January 1, 2013.</p> <p><i>Education Code 30A.153</i></p> <p>A district may decline to pay the cost for a student of more than three yearlong electronic courses, or the equivalent, during any school year unless the student is enrolled in a full-time online program that was operating on January 1, 2013. If the district declines to pay the cost, a student is able to enroll in additional electronic courses at the student's cost. <i>Education Code 26.0031(c-1)</i></p>

Course Cost

A district may charge the course cost for enrollment in a TXVSN course to a student who resides in this state and:

1. Is enrolled in the district as a full-time student with a course load greater than that normally taken by students in the equivalent grade level in other school districts; or
2. Elects to enroll in a TXVSN course for which the district in which the student is enrolled as a full-time student declines to pay the cost as authorized by Education Code 26.0031(c-1).

A district may charge the course cost for enrollment in a TXVSN course during the summer.

A district shall charge the course cost for enrollment in a TXVSN course to a student who resides in this state and is not enrolled in a school district or open-enrollment charter school as a full-time student.

A TXVSN course cost may not exceed the lesser of the cost of providing the course or \$400.

A district may decline to pay the course costs for a student who chooses to enroll in more than three year-long electronic courses, or the equivalent, during any school year. This does not limit the ability of the student to enroll in additional electronic courses offered through the TXVSN at the student's expense.

A district that is not the course provider may charge a student enrolled in the district a nominal fee, not to exceed \$50, if the student enrolls in a TXVSN course that exceeds the course load normally taken by students in the equivalent grade level.

A course provider in the TXVSN statewide course catalog shall receive:

1. No more than 70 percent of the catalog course cost prior to a student successfully completing the course; and
2. The remaining 30 percent of the catalog course cost when the student successfully completes the course.

*Education Code 30A.155(a)-(c-1); 19 TAC 70.1025*

Educators of  
Electronic Courses

Each instructor of an electronic course, including a dual credit course, offered through the TXVSN by a course provider must be certified under Education Code Chapter 21, Subchapter B, to teach that course and grade level or meet the credentialing requirements of the institution of higher education with which they are affiliated and that is serving as a course provider.

In addition, each instructor must successfully complete one continuing professional development course specific to online learning every three years, and:

1. Successfully complete a professional development course or program approved by TXVSN central operations before teaching an electronic course offered through the TXVSN; or

TXVSN course providers shall affirm the preparedness of teachers of TXVSN electronic courses to teach public school-age students in a highly interactive online classroom and shall:

1. Maintain records documenting:
  - a. Valid Texas educator certification credentials appropriate for the instructor's TXVSN assignment;
  - b. Successful initial completion of TXVSN-approved professional development, evidence of prior online teaching, or a graduate degree in online or distance learning; and
  - c. Instructors' demonstrated mastery of the iNACOL National Standards for Quality Online Teaching prior to teaching through the TXVSN;
2. Conduct and maintain records for background checks;
3. Maintain records of successful completion of continuing professional development;
4. Maintain records documenting successful completion of TXVSN-approved professional development before the end of the school year for any instructor who is hired after the school year has begun; and

*19 TAC 70.1027*

Revocation

The commissioner may revoke the right to participation in the TXVSN based on any of the following factors:

1. Noncompliance with relevant state or federal laws;
2. Noncompliance with requirements and assurances outlined in the contractual agreements with TXVSN central operations and/or these provisions and Education Code Chapter 30A; or
3. Consistently poor student performance rates as evidenced by results on statewide student assessments, student withdrawal rates, student completion rates, successful completion rates, or campus accountability ratings.

*19 TAC 70.1029*

Applicability

Unless a district chooses to participate in providing an electronic course or an electronic diagnostic assessment under Education Code Chapter 30A to a student who is located on the physical premises of a school district or open-enrollment charter school, Chapter 30A does not affect the provision of a course to such a student.

Requirements imposed by or under Education Code Chapter 30A do not apply to a virtual course provided by a district only to district students if the course is not provided as part of the TXVSN.
