
Note: This local policy has been revised in accordance with the District's [innovation plan](#).¹

**School Health
Advisory Council**

In accordance with the District's innovation plan, the District is exempt from the state law that generally requires school districts to establish a school health advisory council. The Superintendent shall appoint an appropriate representative to collaborate with the District and campus improvement committees to seek feedback regarding health-related curriculum, food service, budget, and other related items as needed. The representative shall communicate with all necessary personnel to meet other state and federal requirements.
