Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

Deductions

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee’s pay.

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees.
2. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Discretionary Use

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Leave

Discretionary use of state personal leave shall not exceed five consecutive workdays.

Local Leave

All employees shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of 20 leave days.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

All contributions to sick leave pools shall be voluntary and confidential donations.

The pool shall cease to exist when the employee no longer needs leave for the purpose requested, uses the maximum number of days allowed under a pool, or exhausts all leave days donated to the sick leave pool.

The Superintendent or designee shall develop regulations for the implementation of the sick leave pool that address the following:

1. Procedures to request the establishment of a sick leave pool;
2. The maximum number of days an employee may donate to a sick leave pool;
3. The maximum number of days per school year an eligible employee may receive from a sick leave pool; and

Appeal

All decisions regarding the establishment or implementation of the District's sick leave pool may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.
