A “construction manager-agent” is a sole proprietorship, partnership, corporation, or other legal entity that serves as the agent for the district by providing consultation or administrative services during the design and construction phase and managing multiple contracts with various construction prime contractors for construction, rehabilitation, alteration, or repair of a facility. A district may retain a construction manager-agent only as provided by Government Code Chapter 2269, Subchapter E. The contract between the district and the construction manager-agent may require the construction manager-agent to provide administrative personnel, equipment necessary to perform duties under this policy, on-site management, and other services specified in the contract. *Gov’t Code 2269.201–.202*

A construction manager-agent may not:

1. Self-perform any aspect of the construction, rehabilitation, alteration, or repair of the facility.
2. Be a party to a construction subcontract for the construction, rehabilitation, alteration, or repair of the facility.
3. Provide or be required to provide performance and payment bonds for the construction, rehabilitation, alteration, or repair of the facility.

Gov’t Code 2269.203

A construction manager-agent represents a district in a fiduciary capacity. *Gov’t Code 2269.204*

A district may use the construction manager-agent method for the construction, rehabilitation, alteration, or repair of a facility. In using this method, a district must comply with applicable legal requirements in this policy as well as other applicable legal requirements [see CV(LEGAL)], which include the following steps:

1. Selecting a contracting method;
2. Giving public notice of the project;
3. Publishing contract selection criteria;
4. Making evaluations public after the contract is awarded; and
5. Providing for inspection, verification, and testing necessary for acceptance of the facility by the district.
