Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full time or part time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Complications resulting from pregnancy shall be treated the same as any other condition.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee’s pay.

Leave Proration
*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave the employee used but had not earned as of the date of separation.

*Employed for Full
Year*

If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. Leave shall be recorded in half-day increments for all employees, except for auxiliary employees.
2. Leave shall be recorded in one-hour increments for auxiliary employees.
3. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of extended sick leave or sick leave bank days shall be permitted only after all available state and local leave has been exhausted.

**Concurrent Use of
Leave**

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than three consecutive work-days because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used.

Nondiscretionary Use

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

Discretionary Use

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or

designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of
Leave

Discretionary use of state personal leave shall not exceed five consecutive workdays, with a maximum of five days in a semester and ten days in a school year.

Local Leave

All employees shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate without limit.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

Extended Sick Leave

After all available state and local leave days have been exhausted, a professional or paraprofessional employee shall be granted in a school year a maximum of ten leave days of extended sick leave for an FMLA-qualified absence, provided all required FMLA documentation has been received and approved by the human resources department.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

The daily rate of pay of a substitute shall be deducted for each day of extended sick leave taken. If no substitute is employed, the lowest daily rate of pay of a substitute shall be deducted for each day of extended sick leave taken.

Sick Leave Bank

The District shall establish a sick leave bank that employees may join through contribution of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee or a member of the employee's immediate family experiences a catastrophic illness or injury and the employee has exhausted all paid leave.

If the employee is unable to request leave from the sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

The Superintendent or designee shall develop regulations for the operation of the sick leave bank that address the following:

1. Membership in the sick leave bank, including the number of days an employee must contribute to become a member;

5. Other procedures deemed necessary for the operation of the sick leave bank.

Appeal

All decisions regarding the sick leave bank may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

Family and Medical Leave

For purposes of an employee's entitlement to FMLA leave, the 12-month period shall begin on the first duty day of the school year.

Twelve-Month Period

Combined Leave for Spouses

If both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks. [See DECA(LEGAL)]

Intermittent or Reduced-Schedule Leave

The District shall not permit use of intermittent or reduced-schedule FMLA leave for the care of a newborn child or for the adoption or placement of a child with the employee. [See DECA(LEGAL) for use of intermittent or reduced schedule leave due to a medical necessity.]

Certification of Leave

If an employee requests leave, the employee shall provide certification, as required by FMLA regulations, of the need for leave. [See DECA(LEGAL)]

Fitness-for-Duty Certification

If an employee takes FMLA leave due to the employee's own serious health condition, the employee shall provide, before resuming work, a fitness-for-duty certification. If the District will require certification of the employee's ability to perform essential job functions, the District shall provide a list of essential job functions to the employee with the FMLA designation notice.

End-of-Semester Leave

If a teacher takes leave near the end of the semester, the District may require the teacher to continue leave until the end of the semester. [See DECA(LEGAL), Leave at the End of a Semester]

Failure to Return If, at the expiration of FMLA leave, the employee is able to return to work but chooses not to do so, the District may require reimbursement of premiums paid by the District during the leave. [See DECA(LEGAL), Recovery of Benefit Cost]

Temporary Disability Leave Any full-time employee whose position requires educator certification by the State Board for Educator Certification or by the District shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent or designee as a request for temporary disability leave.

Workers' Compensation

Note: Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance. [See CRD(LOCAL) regarding payment of insurance contribution during employee absences.]

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

An employee eligible for workers' compensation income benefits, and not on assault leave, may elect in writing to use paid leave.

Court Appearances

Absences due to compliance with a valid subpoena in matters not related to the personal business of the employee or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.

Absences for court appearances related to an employee's personal business, regardless of whether the employee is complying with a subpoena, shall be deducted from the employee's leave or, at the option of the employee, shall be taken as leave without pay.

Reimbursement for Leave upon Retirement

The following leave provisions shall apply to local leave earned beginning on the original effective date of this program.

An employee who retires from the District shall be eligible for reimbursement for local leave under the following conditions:

1. The employee's retirement is voluntary, i.e., the employee is not being discharged or nonrenewed.

2. The employee provides advance written notice of intent to retire. Contract employees must provide written notice at least 90 days before the last day of employment. Noncontract employees must provide written notice at least two weeks before the last day of employment.
3. The employee has at least five years of service with the District.

A budget shall be established annually to pay for retirement compensation. This budget amount shall not be exceeded. In the event that the number of retirees in a single year does result in the District exceeding the budgeted compensation, a pro rata amount shall be distributed to each retiree.

If the employee is reemployed with the District, days for which the employee received payment shall not be available to that employee.
