Interrogations

By School Officials

Administrators, teachers, and other professional personnel may question a student regarding the student's own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves.

By Police or Other Authorities

For provisions pertaining to student questioning by law enforcement officials or other lawful authorities, see GRA(LOCAL).

Desks and Lockers

Desks, lockers, and similar items are the property of the District and are provided for student use as a matter of convenience. Lockers and desks are subject to blanket searches or inspections by District administrators. Searches or inspections may be conducted at any time and without notice. Students shall be fully responsible for the security and contents of desks or lockers assigned to them. Students shall make certain that lockers are locked and that the keys or combinations are not given to others. Students shall not place or keep in a desk or locker any article or material prohibited by law, District policy, or the Student Code of Conduct. Students shall be held responsible for any prohibited items found in their desks or lockers.

Vehicles

Students shall be fully responsible for the security and contents of vehicles driven or parked on school property. Students shall make certain that their parked vehicles are locked and that the keys are not given to others. Students shall not place or keep in a vehicle on school property any article or material prohibited by law, District policy, or the Student Code of Conduct.

If there is reasonable cause to believe that a vehicle on school property contains contraband, it may be searched by school officials or by personnel whose services have been engaged by the District to conduct such searches. Students shall be held responsible for any prohibited items found in their vehicles on school property.

If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle. If the student refuses, the District shall contact the student's parents. If the parents also refuse to permit a search of the vehicle, the District may turn the matter over to local law enforcement officials.

Use of Trained Dogs

The District shall use specially trained nonaggressive dogs to sniff out and alert officials to the current presence of concealed prohibited items, illicit substances defined in FNCF(LEGAL), and alcohol. This program is implemented in response to drug- and alcohol-related problems in District schools, with the objective of maintaining a safe school environment conducive to education.

1. Lockers may be sniffed by trained dogs at any time.
2. Vehicles parked on school property may be sniffed by trained dogs at any time.
3. Classrooms and other common areas may be sniffed by trained dogs at any time when students are not present.

Parent Notification

The student's parent or guardian shall be notified if any prohibited articles or materials are found in a student's locker, in a student's vehicle parked on school property, or on the student's person, as a result of a search conducted in accordance with this policy.
