

STUDENT ACTIVITIES

FM
(LOCAL)

A student may not participate in any school-related activities on that day or evening unless he or she was in attendance for at least four class periods during the day.

A student with an unexcused absence during any period forfeits his or her right to participate in school-related activities for that day or evening.

**Extracurricular
Activity Absences**

The District shall allow a maximum of 12 absences for extracurricular participation through District competition and five absences for post-district competition. Students may petition the building principal for additional absences. To be allowed additional absences, the student shall have an 80 or above in all classes and shall have 90 percent attendance.

**Honors or Advanced
Courses**

The District has identified college coursework and dual credit courses as advanced courses. A student who receives a grade lower than a 70 in an honors or advanced class is exempt from suspension from extracurricular activities. [See FM(LEGAL)]

**Use of District
Facilities**

School-sponsored student groups may use District facilities with prior approval of the appropriate administrator. Other student groups may use District facilities in accordance with policy FNAB.
