4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term "family emergency" shall be limited to disasters and life-threatening situations involving the employee or a member of the employee's immediate family.

Leave Day

A "leave day" for purposes of earning, using, or recording leave shall mean the number of hours per day equivalent to the employee's usual assignment, whether full-time or part-time.

School Year

A "school year" for purposes of earning, using, or recording leave shall mean the term of the employee's annual employment as set by the District for the employee's usual assignment, whether full-time or part-time.

**Availability**

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

State Leave  
Proration

If an employee separates from employment with the District before his or her last duty day of the school year or begins employment after the first duty day of the school year, state personal leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for state personal leave the employee used beyond his or her pro rata entitlement for the school year.

**Medical Certification**

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent; or
3. The employee requests FMLA leave for the employee's serious health condition; a serious health condition of the employee's spouse, parent, or child; or for military caregiver leave.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

**State Personal Leave**

The Board requires employees to differentiate the manner in which state personal leave is used.

**Nondiscretionary Use**

Nondiscretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Nondiscretionary use includes leave related to the birth or placement of a child and taken within the first year after the child's birth, adoption, or foster placement.

**Discretionary Use**

Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

*Request for Leave*

In deciding whether to approve or deny a request for discretionary use of state personal leave, the supervisor shall not seek or consider the reasons for which an employee requests to use leave. The supervisor shall, however, consider the duration of the requested absence in conjunction with the effect of the employee's absence on the educational program and District operations, as well as the availability of substitutes.

Discretionary use of state personal leave shall not exceed two consecutive workdays.

**Local Leave**

Each professional employee shall earn five paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of ten leave days.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

**Extended Sick Leave**

After all available paid leave days and any applicable compensatory time have been exhausted, a professional employee with one to four years of service shall be granted in a school year a maximum of ten leave days of extended sick leave. A professional employee with five or more years of service shall be granted in a school year a maximum of 20 leave days of extended sick leave.

Extended sick leave days shall be used for the employee's personal illness or injury, including pregnancy-related illness or injury, or for absences related to the illness or injury of a member of the employee's immediate family.

A written request for extended sick leave must be accompanied by medical certification of the illness or injury.

The District shall deduct \$75 for each day of extended sick leave taken, whether or not a substitute is employed.

**Peace Officers**

**Mental Health  
Leave**

A District peace officer who experiences a traumatic event in the scope of employment shall be granted a maximum of three days of mental health leave per traumatic event. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance.

The Superintendent shall develop regulations regarding mental health leave that address the following:

1. Circumstances or reasons under which a peace officer may use mental health leave;
2. Procedures for requesting mental health leave and maintaining the anonymity of the requester;
3. The administrator authorized to approve requests for mental health leave; and
4. Other procedures deemed necessary for administering this provision.

**Quarantine Leave**

A District peace officer shall be granted quarantine leave when ordered by the local health authority or the peace officer's supervisor to quarantine or isolate due to possible or known exposure to a communicable disease while on duty. Such leave shall be provided in accordance with administrative regulations and shall not be deducted from the employee's pay or leave balance.

The Superintendent shall develop regulations regarding quarantine leave that address the following: Continuation of all employment benefits and compensation for the duration of the leave;

2. Reimbursement for reasonable costs related to the quarantine; and

The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.]

COMPENSATION AND BENEFITS  
LEAVES AND ABSENCES

DEC  
(LOCAL)

The District shall require the employee to use temporary disability leave and paid leave, including any compensatory time, concurrently with FMLA leave.

**Workers'  
Compensation**

---

**Note:** Workers' compensation is not a form of leave. The workers' compensation law does not require the continuation of the District's contribution to health insurance.

---

An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

No Paid Leave  
Offset

The District shall not permit the option for paid leave offset in conjunction with workers' compensation income benefits. [See CRE]

**Court Appearances**

Absences due to compliance with a valid subpoena or for jury duty shall be fully compensated by the District and shall not be deducted from the employee's pay or leave balance.
