

**Persons Age 21

The District shall not admit into its public schools any person age 21 or over unless otherwise required by law.

Registration Forms

The student's parent, legal guardian, or other person having lawful control shall annually complete registration forms. A student who has reached age 18 shall be permitted to complete these forms.

Proof of Residency
Initial Enrollment

At the time of initial registration, the parent, guardian, or other person having lawful control of the student under order of a court shall present proof of residency as defined by law. The District shall accept the following types of records as proof of residency: a current rent or lease agreement, the most recent tax receipt, or a current utility bill.

In accordance with law, the District may make reasonable inquiries to determine whether the student is a resident of the District, including when a document submitted for purposes of proving residency is not in the name of the adult who is enrolling the student. Based on an individual's circumstance, the District may grant exceptions to the requirement to produce a document listed above. When required by law, the District shall waive the requirement to prove residency in the District boundaries.

*Continued
Enrollment*

After a student's initial enrollment, the District shall verify residency through the annual registration forms and may investigate stated residency as necessary.
