

Mission

The mission of East Chambers ISD is to ensure that all East Chambers students have access to a quality education that enables them to work toward their potential and to participate now and in the future in the social, economic, and educational opportunities in our community, state, nation, and world.

Objectives

The objectives of public education are:

- Parents will be full partners with educators in the education of their children.
- Students will be encouraged and challenged to meet their full educational potential.
- Through enhanced dropout prevention efforts, all students will remain in school until they obtain a diploma.
- A well-balanced and appropriate curriculum will be provided to all students.
- Educators will prepare students to be thoughtful, active citizens who have an appreciation for the basic values of our state and national heritage and who can understand and productively function in a free enterprise society.
- Qualified and highly effective personnel will be recruited, developed, and retained.
- Texas students will demonstrate exemplary performance in comparison to national and international standards.
- School campuses will maintain a safe and disciplined environment conducive to student learning.
- Educators will keep abreast of the development of creative and innovative techniques in instruction and administration using those techniques as appropriate to improve student learning.
- Technology will be implemented and used to increase the effectiveness of student learning, instructional management, staff development, and administration.

Goals

The academic goals of public education are to serve as a foundation for a well-balanced and appropriate education. The students in the public education system will demonstrate exemplary performance in:

- The reading and writing of the English language.
- The understanding of mathematics.
- The understanding of science.
- The understanding of social studies.
