
Note: The following is an index of website posting requirements that are addressed in the legal reference material of the policy manual. The list is not all-inclusive. The list does not address postings that are required in response to a specific incident or postings required under special circumstances.

Required Internet Postings

The following posting requirements apply to a district that maintains an Internet website:

1. A board may not vote on adoption of a proposed local innovation plan unless the final version of the proposed plan has been available on the district website for at least 30 days, under Education Code 12A.005(a)(1) and 19 Administrative Code 102.1307(a)(1). [See AF]
2. A district designated as a district of innovation shall ensure that a copy of its current local innovation plan is available to the public by posting and maintaining the plan in a prominent location on the district's website, under Education Code 12A.0071(a) and 19 Administrative Code 102.1305(3). [See AF]
3. Not later than 30 days after an accreditation status of accredited-warned, accredited-probation, or not accredited-revoked is assigned, a district must post notice on the home page of its website with a link to the required notification under 19 Administrative Code 97.1055(f), and maintain this until the district is assigned the accredited status. [See AIA]
4. A board shall disseminate its Texas Academic Performance Report (TAPR) by posting it on the district website under 19 Administrative Code 61.1022(f). [See AIB]
5. Not later than the tenth day after the first day of instruction of each school year, a district shall make available each campus report card, the district's performance report, the district's accreditation status and performance rating, and a definition and explanation of each accreditation status, under Education Code 39.362. “Geospatial Data Products”

“Geospatial data product” means a document, computer file, or Internet website that contains geospatial data; a map; or information about a service involving geospatial data or a map. *Gov't Code 2051.101(1)*

Notice

A district shall include a notice on each geospatial data product that:

1. Is created or hosted by the district;
2. Appears to represent property boundaries; and
3. Was not produced using information from an on-the-ground survey conducted by or under the supervision of a registered professional land surveyor or land surveyor authorized to perform surveys under laws in effect when the survey was conducted.

The notice must be in substantially the following form: “This product is for informational purposes and may not have been prepared for or be suitable for legal, engineering, or surveying purposes. It does not represent an on-the-ground survey and represents only the approximate relative location of property boundaries.”

The notice may include language further defining the limits of liability of a geospatial data product producer; apply to a geospatial data product that contains more than one map; or for a notice that applies to a geospatial data product that is or is on an Internet website, be included on a separate page that requires the person accessing the website to agree to the terms of the notice before accessing the geospatial data product.

Gov't Code 2051.102

Exemption

A district is not required to include the notice on a geospatial data product that:

1. Does not contain a legal description, a property boundary monument, or the distance and direction of a property line;
2. Is prepared only for use as evidence in a legal proceeding;
3. Is filed with the clerk of any court; or
4. Is filed with the county clerk.
