In addition to traditional classrooms, the term "classroom" includes, but is not limited to, school campus gymnasiums, auditoriums, cafeterias, hallways, and outdoor facilities.
2. "Distribution" means circulation of any materials, as defined herein.
3. "Materials" are defined as writings, items, objects, articles, or other materials.
4. "School hours" are defined as the operational hours for a particular facility when students are receiving educational instruction, participating in or attending extracurricular activities, or otherwise being involved in educational/curricular programming.
5. Elementary, middle, and secondary campuses have different distribution policies and guidelines due to the age/maturity of students and the highly structured learning environment of elementary campuses. "Elementary" campuses are defined as campuses designated for students up to grade 5. "Middle" and "secondary" campuses are defined as campuses designated for students from grade 6 through grade 12.

**Distribution on
Elementary
Campuses by
Students**

Elementary campuses have restrictions that are narrowly tailored to meet the District's legitimate concerns regarding providing instruction, providing education, maintaining discipline, and/or achieving curricular objectives and/or state-mandated learning requirements. The following regulations shall apply to the distribution of materials between elementary students while on the elementary campus, subject to the restrictions identified in LIMITATIONS ON CONTENT herein:

1. Students may distribute materials 30 minutes before school hours and 30 minutes after school hours at any entrance or exit to the school and at any "gathering area(s)" approved by the principal. The location of distribution in each of these areas shall be designated by the principal.
2. Distribution of materials shall not be permitted in the classroom during school hours, with the exception of the three annual parties designated by the District.

3. District elementary school hallways during school hours are provided for the limited purpose of facilitating the safe, organized, and structured movement of students between classes and allowing access to assigned lockers for providing and/or facilitating: student instruction, student education, achievement of curricular objectives, achievement of state-mandated learning requirements, school-sponsored extracurricular activities, and/or school-sponsored programming for students. Due to this limited purpose and the financial costs and safety/security concerns associated with litter and/or trash in the hallways, students may not distribute materials in elementary school hallways during school hours.
4. District elementary school cafeterias, during designated meal periods, are provided for the limited purpose of providing students meals and/or other nutrition and for delivering instruction to students with regard to nutrition, time management, manners, responsibility, and group discipline. Due to this limited purpose and the financial costs and safety/security concerns associated with litter and/or trash in the cafeteria, students may not distribute materials in elementary school cafeterias during designated meal periods.
5. Students may distribute materials during designated recess periods.
6. Students may leave materials on the "distribution table" and/or any other such designated area so others may obtain a copy. Each school campus principal shall designate an area where materials may be made available or distributed.
7. Students may distribute materials during the three annual parties designated by the District.
8. Campus principals may develop other reasonable time, place, and manner restrictions regarding the distribution of materials at areas designated by the principal.
9. Students may distribute materials in areas not addressed by this policy subject to the reasonable time, place, and manner restrictions developed by the campus principal and the guidelines outlined herein.

Students shall be expected to comply with all applicable District and/or campus behavior rules, policies, and all educational/curricular goals when distributing materials on District property. Copies of applicable District and campus rules and/or policies shall be available at each campus.

Students who distribute materials on District property at any time shall be responsible for cleaning up such materials left on District property.

Students violating any provision of this policy may be subject to discipline including, but not limited to, prohibition of further distribution under this policy.
