Related Services

Definition

“Related services” means transportation, and such developmental, corrective, and other supportive services as may be required to assist a child with a disability to benefit from special education, including the early identification and assessment of disabling conditions in children.

The term includes speech-language pathology and audiology services, interpreting services, psychological services, physical and occupational therapy, recreation, including therapeutic recreation, social work services, school nurse services designed to enable a child with a disability to receive FAPE as described in the child’s IEP, counseling services, including rehabilitation counseling, orientation and mobility services, and medical services, except that medical services shall be for diagnostic and evaluation purposes only.

The term does not include a medical device that is surgically implanted, the optimization of the device’s functioning, or the replacement of such device.

Extended School
Year Services

Extended school year (ESY) services are defined as individualized instructional programs beyond the regular school year for eligible students with disabilities.

A district shall ensure that ESY services are available as necessary to provide a student with a disability with FAPE.

ESY services must be provided only if the admission, review, and dismissal (ARD) committee determines, on an individual basis, that the services are necessary for FAPE. A district may not limit ESY services to particular categories of disability or unilaterally limit the type, amount, or duration of ESY services.

Off-Campus Program

An off-campus program includes special education and related services provided during school hours in a facility other than a school district campus.

Program Provider

An off-campus program provider is an entity that provides the services identified above and includes:

1. A county system operating under application of former law as provided in Education Code 11.301;
2. A regional education service center established under Education Code, Chapter 8;
3. A nonpublic day school; or
4. Any other public or private entity with which a school district enters into a contract under Education Code 11.157, for the provision of special education services in a facility other than a district campus operated by a district.

19 TAC 89.1094(a)(2)–(3)

Program Placement A district may contract with an off-campus program provider to provide some or all of the special education and related services to a student in accordance with the requirements in 19 Administrative Code 89.1094.

Before the district places a student with a disability in, or refers a student to, an off-campus program, the district shall initiate and conduct:

1. An onsite review to ensure that the off-campus program is appropriate for meeting the student's educational needs; and
2. A meeting of the student's ARD committee to develop an IEP for the student in accordance with 34 C.F.R. 300.320–.325, state statutes, and commissioner of education rules in 19 Administrative Code Chapter 89 (Commissioner's Rules Concerning Special Education Services).

The appropriateness of the off-campus program for each student placed shall be documented in the IEP annually. The student's ARD committee may only recommend an off-campus program placement for a student if the committee determines that the nature and severity of the student's disability and special education needs are such that the student cannot be satisfactorily educated in the district. The district must follow the requirements of 19 Administrative Code 89.1094(b)(3)(A)–(C), regarding the review of the placement of the off-campus program for each student.

The placement of more than one student in the same off-campus program facility may be considered in the same on-site visit to a facility. However, the IEP of each student must be individually reviewed, and a determination of appropriateness of placement and services must be made for each student.

19 TAC 89.1094(b)

Notification and
Review

Within 30 calendar days from an ARD committee's decision to place a student in an off-campus program, a district must electronically submit to TEA notice of, and information regarding, the placement in accordance with submission procedures specified by TEA.

If the off-campus program is on the commissioner's list of approved off-campus programs, TEA will review the student's IEP and placement as required by 34 C.F.R. 300.120, and, in the case of a placement in or referral to a private school or facility, 34 C.F.R. 300.146. After review, TEA will notify the district whether federal or state funds for the off-campus program placement are approved. If TEA does not approve the use of funds, it will notify the district of the basis for the non-approval.

If the off-campus program is not on the commissioner's list of approved off-campus programs, TEA will begin the approval procedures described below. Districts must ensure there is no delay in implementing a child's IEP in accordance with 34 C.F.R. 300.103(c).

If an off-campus program placement is ordered by a special education hearing officer or court of competent jurisdiction, the district must notify TEA of the order within 30 calendar days. The off-campus program serving the student is not required to go through the approval procedures described in 19 Administrative Code 89.1094 for the ordered placement. If, however, the district or other districts intend to place other students in the off-campus program, the off-campus program will be required to go through the approval procedures to be included on the commissioner's list of approved off-campus programs.

19 TAC 89.1094(c)

Approval

Off-campus programs must have their educational programs approved for contracting purposes by the commissioner in accordance with 19 Administrative Code 89.1094(d).

Funding Procedures

The cost of off-campus program placements will be funded according to Education Code 42.151 (Special Education) and 19 Administrative Code 89.63(e) (Instructional Arrangements and Settings).

Contracts

Contracts between districts and approved off-campus programs must not exceed a district's fiscal year and shall not begin prior to July 1 of the contracted fiscal year.

Amendments to a contract must be electronically submitted to TEA in accordance with submission procedures specified by TEA no later than 30 calendar days from the change in placement or services within the school district's fiscal year.

19 TAC 89.1094(e)(1)–(2)

Change of
Residence

If a student who is placed in an off-campus program by a district changes his or her residence to another Texas district during the school year, the district must notify TEA within ten calendar days of the date on which the district ceased contracting with the off-campus program for the student's placement. The student's new district must meet the requirements of 34 C.F.R. 300.323(e), by providing comparable services to those described in the student's IEP from the previous district until the new district either adopts the student's IEP from the previous district or develops, adopts, and implements a new IEP. The new district must comply with all procedures described in 19 Administrative Code 89.1094 for continued or new off-campus program placement. *19 TAC 89.1094(e)(3)*
