

**Controlled
Substances and
Laboratory
Equipment**

The Texas Department of Public Safety (TDPS) and the Coordinating Board shall adopt a memorandum of understanding that establishes the responsibilities of the Coordinating Board, TDPS, and the public or private institutions of higher education in implementing and maintaining a program for reporting information concerning controlled substances, controlled substance analogues, chemical precursors, and chemical laboratory apparatus used in educational or research activities of institutions of higher education. *Health and Safety Code 481.0621(b)*

Note: The [Memorandum of Understanding between the Texas Department of Public Safety and the Texas Higher Education Coordinating Board \(PDF\)](#)¹ is available on the Coordinating Board website.
