E-cigarettes**

The College District prohibits the use of tobacco products and e-cigarettes on College District property, in College District vehicles, and at College District-related activities, unless authorized by the Chancellor or designee.

"E-cigarette" means an electronic cigarette or any other device that simulates smoking by using a mechanical heating element, battery, or electronic circuit to deliver nicotine or other substances to the individual inhaling from the device. The term does not include a prescription medical device unrelated to the cessation of smoking. The term includes:

1. A device described by this definition regardless of whether the device is manufactured, distributed, or sold as an e-cigarette, e-cigar, or e-pipe or under another product name or description; and
2. A component, part, or accessory for the device, regardless of whether the component, part, or accessory is sold separately from the device.
