**Hazardous Traffic
Conditions and High-
Risk Areas**

If the District applies for the additional transportation allotment provided by the state for students who live within two miles of a school campus, the Board shall adopt a resolution to identify hazardous traffic conditions or areas presenting a high risk of violence within two miles of the school campus. The resolution shall include the specific hazardous or high-risk areas in which transportation shall be provided, and the District shall publish the locations of these routes. The Board shall adopt a revised resolution when necessary to accurately reflect changes to the conditions or areas.

**High School
Students**

The District shall be responsible for transportation of high school students only to receiving high school districts formally approved by the Board.
