

<b>Student Illness</b>	Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day.
<b>Accidents Involving Students</b>	Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.
<b>Emergency Treatment Forms</b>	Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.
<b>Purchasing Medication</b>	Except as provided below, at ADMINISTRATION OF MEDICATION TO ATHLETES, the District shall not purchase nonprescription medication to administer to a student.
<b>Administering Medication</b>	No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.
Provided by Parent	Employees authorized by the Superintendent or designee may administer to students: <ol style="list-style-type: none"><li>1. Prescription medication in accordance with legal requirements, for a period of up to ten days. [See FFAC(LEGAL)] A written request by a physician or other health-care professional with authority to write prescriptions shall be required when the medication must be administered for a longer period.</li><li>2. Nonprescription medication, upon a parent's written request, when properly labeled and in the original container.</li><li>3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program (IEP) or Section 504 plan of a student with disabilities.</li></ol>
<b>Administration of Medication to Athletes</b>	The District shall purchase nonprescription medication that may be used to prevent or treat illness or injury in the District's athletic program. Only a licensed athletic trainer or a physician licensed to practice medicine in the state of Texas may administer this medication and may do so only if: <ol style="list-style-type: none"><li>1. The student's parent has given prior written consent for medication to be administered; and</li><li>2. The administration of a medication by an athletic trainer is in accordance with a standing order or procedures approved by</li></ol>

a physician licensed to practice medicine in the state of Texas.

**Psychotropics**

Except as permitted by Education Code 38.016, an employee shall not:

1. Recommend to a student or a parent that the student use a psychotropic drug;
2. Suggest a particular diagnosis; or
3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.
