

|                                     |  |
|-------------------------------------|--|
| <b>Student Illness</b>              | Procedures shall be established by the administration to ensure that proper attention is given to any student who becomes ill during the course of a school day.   |
| <b>Accidents Involving Students</b> | Emergency procedures shall be established by the administration to ensure proper attention for any student injured at school. Records shall be maintained on all accidents that require the attention of a medical doctor.   |
| <b>Emergency Treatment Forms</b>    | Each year, students and parents shall complete and sign a form that provides emergency information and authorizes school officials to obtain emergency medical treatment, as provided by law.  |
| <b>Purchasing Medication</b>        | The District shall not purchase nonprescription medication to administer to a student.   |
| <b>Administering Medication</b>     | No employee shall give any student prescription medication, non-prescription medication, herbal substances, anabolic steroids, or dietary supplements of any type, except as provided below.   |
| Exceptions                          | Employees authorized by the Superintendent or designee may administer to students:   |
| <i>Provided by Parent</i>           | <ol style="list-style-type: none"><li>1. Prescription medication in accordance with legal requirements. [See FFAC(LEGAL)]</li><li>2. Nonprescription medication, upon a parent's written request, when properly labeled, in the original container, and accompanied by a written request by a physician or other health-care professional with authority to write prescriptions.</li><li>3. Herbal substances or dietary supplements provided by the parent and only if required by the individualized education program or Section 504 plan of a student with disabilities.</li></ol> |
| <b>Psychotropics</b>                | Except as permitted by Education Code 38.016, an employee shall not: <ol style="list-style-type: none"><li>1. Recommend to a student or a parent that the student use a psychotropic drug;</li><li>2. Suggest a particular diagnosis; or</li><li>3. Exclude the student from a class or a school-related activity because of the parent's refusal to consent to psychiatric evaluation or examination or treatment of the student.</li></ol>   |
