
Note: This local policy has been revised in accordance with the District's [innovation plan](#).¹

**School Health
Advisory Council**

In accordance with the District's innovation plan, the District is exempt from the state law that generally requires school districts to establish a school health advisory council. The Board or its designee shall create an alternative procedure, including a committee or committees, as appropriate, to ensure that local community values are reflected in the District's health education instruction. [See AF]
