

Definitions

The term “immediate family” is defined as:

Family

1. Spouse.
2. Son or daughter, including a biological, adopted, or foster child, a son- or daughter-in-law, a stepchild, a legal ward, or a child for whom the employee stands *in loco parentis*.
3. Parent, stepparent, parent-in-law, or other individual who stands *in loco parentis* to the employee.
4. Sibling, stepsibling, and sibling-in-law.
5. Grandparent and grandchild.
6. Any person residing in the employee’s household at the time of illness or death.

For purposes of the Family and Medical Leave Act (FMLA), the definitions of spouse, parent, son or daughter, and next of kin are found in DECA(LEGAL).

Family Emergency

The term “family emergency” shall be limited to disasters and life-threatening situations involving the employee or a member of the employee’s immediate family.

Leave Day

A “leave day” for purposes of earning, use, or recording of leave shall mean the number of hours per day equivalent to the employee’s usual assignment, whether full-time or part-time.

Catastrophic Illness or Injury

A catastrophic illness or injury is a severe condition or combination of conditions affecting the mental or physical health of the employee or a member of the employee’s immediate family that requires the services of a licensed practitioner for a prolonged period of time and that forces the employee to exhaust all leave time earned by that employee and to lose compensation from the District. Such conditions typically require prolonged hospitalization or recovery or are expected to result in disability or death. Conditions relating to pregnancy or childbirth shall be considered catastrophic if they meet the requirements of this paragraph.

Availability

The District shall make state personal leave and local leave for the current year available for use at the beginning of the school year.

Earning Local Leave

An employee shall not earn any local leave when he or she is in unpaid status. An employee using full or proportionate paid leave shall be considered to be in paid status.

Deductions

Leave Without Pay

The District shall not approve paid leave for more leave days than have been accumulated in prior years plus leave currently available. Any unapproved absences or absences beyond accumulated and available paid leave shall result in deductions from the employee’s pay.

Leave Proration

*Employed for
Less Than Full
Year*

If an employee separates from employment with the District before his or her last duty day of the year, or begins employment after the first duty day, state personal leave and local leave shall be prorated based on the actual time employed.

If an employee separates from employment before the last duty day of the school year, the employee's final paycheck shall be reduced for:

1. State personal leave the employee used beyond his or her pro rata entitlement for the school year; and
2. Local leave the employee used but had not earned as of the date of separation.

*Employed for Full
Year*

If an employee uses more local leave than he or she earned and remains employed with the District through his or her last duty day, the District shall deduct the cost of the excess leave days from the employee's pay in accordance with administrative regulations.

Recording

Leave shall be recorded as follows:

1. For positions for which a substitute is normally required, leave shall be recorded in half-day increments, even if a substitute is not employed.
2. For positions for which a substitute is not normally required, leave shall be recorded on an hourly basis.
3. If the employee is taking intermittent FMLA leave, leave shall be recorded in one-hour increments.

Order of Use

Earned compensatory time shall be used before any available paid state and local leave. [See DEAB]

Unless an employee requests a different order, available paid state and local leave shall be used in the following order, as applicable:

1. Local leave.
2. State sick leave accumulated before the 1995–96 school year.
3. State personal leave.

Use of catastrophic sick leave bank days shall be permitted only after all available state and local leave has been exhausted.

**Concurrent Use of
Leave**

When an absent employee is eligible for FMLA leave, the District shall designate the absence as FMLA leave.

The District shall require the employee to use temporary disability leave and paid leave, including compensatory time, concurrently with FMLA leave.

An employee receiving workers' compensation income benefits may be eligible for paid or unpaid leave. An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable.

Medical Certification

An employee shall submit medical certification of the need for leave if:

1. The employee is absent more than five consecutive workdays because of personal illness or illness in the immediate family;
2. The District requires medical certification due to a questionable pattern of absences or when deemed necessary by the supervisor or Superintendent;
3. The employee requests FMLA leave for the employee's serious health condition or that of a spouse, parent, or child; or
4. The employee requests FMLA leave for military caregiver purposes.

In each case, medical certification shall be made by a health-care provider as defined by the FMLA. [See DECA(LEGAL)]

Note: For District contribution to employee insurance during leave, see CRD(LOCAL).

State Personal Leave

The Board requires employees to differentiate the manner in which state personal leave is used:

Non-Discretionary
Use

1. Non-discretionary use of leave shall be for the same reasons and in the same manner as state sick leave accumulated before May 30, 1995. [See DEC(LEGAL)]

Discretionary Use

2. Discretionary use of leave is at the individual employee's discretion, subject to limitations set out below.

Limitations

Request for
Leave

The employee shall submit a written request for discretionary use of state personal leave to the immediate supervisor or designee in advance in accordance with administrative regulations. In deciding whether to approve or deny state personal leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee's absence on the educational program or District operations, as well as the availability of substitutes.

Duration of
Leave

Discretionary use of personal leave shall not exceed three consecutive workdays.

Local Leave

All employees shall earn three paid local leave days per school year in accordance with administrative regulations.

Local leave shall accumulate to a maximum of 30 leave days.

Local leave shall be used according to the terms and conditions of state personal leave. [See State Personal Leave, above]

**Local Bereavement
Leave**

All employees shall earn two days of paid local bereavement leave per school year in accordance with administrative regulations.

Local bereavement leave shall be noncumulative.

Local bereavement leave shall be available for a death in the immediate family only, as defined in this policy.

**Catastrophic Sick
Leave Bank**

The District shall establish a catastrophic sick leave bank that employees may join through contributions of local leave.

Leave contributed to the bank shall be solely for the use of participating employees. An employee who is a member of the bank may request leave from the bank if the employee or a member of the employee's immediate family experiences a catastrophic illness or injury and the employee has exhausted all paid leave.

If the employee is unable to request leave from the catastrophic sick leave bank, a member of the employee's family or the employee's supervisor may submit the request.

The Superintendent or designee shall develop regulations for the operation of the catastrophic sick leave bank that address the following:

1. Membership in the catastrophic sick leave bank, including the number of days an employee must contribute to become a member;
2. Procedures to request leave from the catastrophic sick leave bank;
3. The maximum number of days per school year a member employee may receive from the catastrophic sick leave bank;
4. The committee or administrator authorized to consider requests for leave from the catastrophic sick leave bank and criteria for granting requests; and
5. Other procedures deemed necessary for the operation of the catastrophic sick leave bank.

Appeal

All decisions regarding the catastrophic sick leave bank may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

**District Medical
Leave Plan**

All part-time employees who do not meet eligibility requirements for family and medical leave as a result of the limited number of hours required for their positions and who have been employed for one school year shall be eligible to participate in the District medical leave plan. The District medical leave plan grants part-time employees the opportunity to receive up to six weeks of unpaid leave concurrently with any other leave to which they may be entitled under other policy provisions.

Appeal

All decisions regarding the District medical leave plan may be appealed in accordance with DGBA(LOCAL), beginning with the Superintendent or designee.

Military Leave

If a person is absent from a position of employment by reason of involuntary military service and has been called to active duty in the uniformed services as described in DEC(LEGAL), that employee shall be entitled to certain reemployment rights and benefits under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA) if all conditions outlined in DEC(LEGAL) are met.

If an employee is called to active duty while on military leave for involuntary service, the District shall pay the difference in salary received from the military position and salary or wages from the position from which the person is on leave from the District. This benefit shall continue so long as the person is on military active duty up to, but not to exceed, five years.

**Family and Medical
Leave**

For purposes of an employee's entitlement to FMLA leave, the 12-month period shall begin on the first duty day of the school year.

Twelve-Month
Period

Combined Leave for
Spouses

If both spouses are employed by the District, the District shall limit FMLA leave for the birth, adoption, or placement of a child, or to care for a parent with a serious health condition, to a combined total of 12 weeks. The District shall limit military caregiver leave to a combined total of 26 weeks. [See DECA(LEGAL)]

Intermittent or
Reduced Schedule
Leave

The District shall permit use of intermittent or reduced schedule FMLA leave for the care of a newborn child or for the adoption or placement of a child with the employee. [See DECA(LEGAL) for use of intermittent or reduced schedule leave due to a medical necessity.]

Certification of
Leave

If an employee requests leave, the employee shall provide certification, as required by FMLA regulations, of the need for leave. [See DECA(LEGAL)]

Temporary Disability Leave	Any full-time employee whose position requires educator certification by the State Board for Educator Certification or by the District shall be eligible for temporary disability leave. The maximum length of temporary disability leave shall be 180 calendar days. [See DBB(LOCAL) for temporary disability leave placement and DEC(LEGAL) for return to active duty.] An employee's notification of need for extended absence due to the employee's own medical condition shall be forwarded to the Superintendent or designee as a request for temporary disability leave.

Court Appearances	An absence due to a work-related injury or illness shall be designated as FMLA leave, temporary disability leave, and/or assault leave, as applicable. Absences for court appearances related to an employee's personal business shall be deducted from the employee's personal leave.

**Reimbursement for
Leave Upon
Retirement**

The following leave provisions shall apply to state and local leave earned beginning on the original effective date of January 7, 2019.

An employee who retires from the District shall be eligible for reimbursement for state and local leave under the following conditions:

1. The employee's retirement from employment is voluntary, i.e., the employee is not being discharged or nonrenewed.
2. The employee has at least five years of consecutive service with the District.
3. The employee meets state eligibility requirements for retirement.

If an employee is reemployed with the District, days for which the employee received payment shall not be available to that employee.

The District shall reimburse an employee up to 30 days of unused leave earned during employment with the District.

The rate at which an eligible employee shall be compensated for unused leave shall be approved by the Board on an annual basis.

**Expiration of All
Available Leave**

If the employee has not already returned to work upon the expiration of all leave for which an employee has applied and is eligible, the District may deem the employee as having excessive absences.

**Excessive
Absences**

Employees who have excessive absences during the school year may be recommended for nonrenewal or termination in accordance with this policy, other applicable policies, and applicable law. [See DCD and DF series]

"Excessive absence" shall mean failure to appear for work when no leave applies to the absence and the absence is not excused on any other basis provided in law or District policy. Elective leaves, if any, shall apply to and excuse an absence when the leave has been duly elected by the employee and approved by the District, and the absence qualifies for and falls within the leave period.

Reemployment

In the event the employee shall subsequently apply for reemployment with the District, the fact that the employee had previously taken leave and failed to return to work upon the expiration of the leave shall not be grounds for denial of new employment.
