

**Free Materials from  
Outside  
Organizations**

Schools may accept free materials, such as books, pamphlets, charts, maps, calendars, films, slides, exhibits, and the like, provided the materials meet the following standards:

1. The materials must not distort the educational program approved by the District;
2. The name of the donating entity may appear but not with such emphasis or repetition as to subordinate the educational content of the materials;
3. The materials must meet the standards established in policy EFA(LOCAL) regarding content of instructional materials and of policy FMA(LOCAL) regarding content of noninstructional advertising in District publications; and
4. The principal purpose of the materials must not be promotion of the entity or sales.

**Announcements**

With the principal's approval, nonprofit youth-related organizations such as Scouts, Little League, soccer clubs, YMCA, and YWCA may distribute announcements to students concerning activities of the organizations. The principal will determine the manner of distribution.
