

Definitions

“District facilities” include school buildings, portable buildings, office buildings, playgrounds, athletic fields, stadiums, field houses, parking lots, and all other District-owned real property or improvements. “District facilities” do not include materials, supplies, equipment, or motor vehicles.

“School-sponsored organizations/activities” include those groups or activities directly supervised by District employees as part of the District’s instructional, athletic, cocurricular, or extracurricular programs.

“School-support organizations/activities” are parent-teacher associations, booster clubs, parental engagement events, alumni associations, and youth/athletic organizations whose activities directly benefit the school, students, staff, and/or parents of the school. An organization/activity whose participants are made up of at least 55 percent District students will be deemed a school-support organization/activity.

“Nonschool organizations/activities” include all organizations/activities that do not meet the definition of a “school-sponsored” or “school-support” organization/activity as defined above, including for-profit and not-for-profit groups regardless of whether their intended purpose is to provide a service or benefit to the District, its students, parents, or employees.

General Rules and Regulations

Subject to, and in accordance with GKD(LOCAL), the following general rules and regulations are established governing the use of District facilities:

1. District facilities normally available for rent include, but are not limited to, auditoriums, cafeterias, gymnasiums, stadiums, field houses, baseball/softball fields, tracks, and parking lots.
2. Requests for the use of a District facility must be submitted in writing at least 20 workdays prior to the requested date of use, except in the case of an emergency or catastrophe.
3. Except as otherwise required by Board policy or state law, permission to rent a District facility will be issued by the campus and central office administrators and is nontransferable.
4. The finance services department is responsible for calculating the rental fee and preparing the rental contract to be executed by the organization requesting to use a District facility.
5. Organizations will submit a properly executed contract, and cashier’s check or money order for the total payment of all charges, and any deposit required to the business services

department no later than ten workdays prior to the date of use.

6. An organization renting a District facility will guarantee orderly behavior of any and all persons using the facility and will be liable for any property damage due to their use of the facility and for any personal injury to any participant or spectator. The District, at its sole discretion, may require an organization to submit a cashier's check or money order to serve as the deposit, against which the cost for damages resulting from use of the facility would be deducted. The deposit will be returned to the user if no damages to the facility result from use of the facility.
7. All advertising, except that incidental to programs, and sale of merchandise, printed matter, and other materials is prohibited on District property without the prior consent of the District. No advertisement of alcoholic beverages or tobacco products will be permitted.
8. All activities must be end by 11:00 p.m. in secondary schools and by 10:00 p.m. in elementary schools.
9. With the exception of the school cafeteria, no food may be sold or consumed in District facilities without the prior consent of the District.
10. The rental fee does not include use of specific District equipment or the services of equipment operators. Arrangement for use of any equipment must be approved in advance by the District. Operators of special equipment will be appointed by the District, and the cost charged to the user. The organization renting a District facility will not be allowed to store its material or equipment within the District's facility.
11. No equipment may be moved from its currently assigned location within the facility.
12. The District will not be held liable for any accident, injury, or illness resulting from the rental and use of its facilities.
13. At the discretion of the District, all concession rights will remain the property of the District and the concessionaire under contract with the District.
14. Activities must be confined to the facility or portion thereof being rented.
15. District facilities may not be used in a manner inconsistent with their intended purpose.

16. District facilities may not be used beyond their established capacity.
17. School activities will take precedence over any reservations. In the event that a school activity conflicts with an approved rental request, the school activity will prevail. An approved rental agreement will take precedence over a general non-scheduled public use activity.
18. At the discretion of the District, the designated District personnel or on-site facility manager will be in charge of District facilities while in use by nonschool and school-support organizations, and the cost charged to the user.
19. The need for security will be at the sole discretion of the District, the cost to be charged to the user. Only licensed commissioned peace officers are allowed to provide security on District property. Priority will be given to District police officers. The following minimum staffing levels are required. Additional officers may be required based on attendance and the nature of the event. Police officer manning requirements per event are as follows:

Security

Stadium–Football Event	2 District officers and 4 outside officers
Stadium–Track Event	2 District officers
Basketball Gym Event	2 District officers
Auxiliary Gym Event	1 District officer
Auditorium Event	2 District officers
Parking Lot Event	2 District officers
Tennis Center	1 District officer

The officers providing security for the event will provide security for the entire venue, i.e. home side, visitor side, parking lot, and the like. One officer is to be present one-half hour before the event begins and will remain until one-half hour after the event ends. The District will accept licensed commissioned officers from any law enforcement department within El Paso County, including, but not limited to, El Paso ISD Police Department, El Paso Police Department, El Paso County Sheriff's Department, and Texas Department of Public Safety troopers.

45. School-support organizations may have reduced fee use of school facilities on school and nonschool days when the proposed event/activity is free to and of a benefit to the District, students, or staff.
46. Fundraising activities/events by school-support organizations can be held for a reduced fee on school and nonschool days when the District, students, or staff are the beneficiaries of all the funds raised. User shall cover actual District costs, such as custodial and security, associated with the use of the facility.
47. School days are defined as days when the school is open for student classes. School days could apply to Saturday and summer school classes at the discretion of the District.
48. Nonschool days are days when student classes are not held, regardless of whether staff is present. Typically, nonschool days are weekends, holidays, District vacation periods, and summer break.
49. School-support organizations must compensate District staff for any time worked beyond the staff's normal working hours.
50. School facilities may be used for regular meetings, without a facility rental charge, by crime watch groups, homeowner's associations, and neighborhood associations when the meeting is held on a school day.
51. The reduced fee use of a school facility is subject to availability and compliance with the provisions of GKD(LOCAL) and this regulation.

User / Activity
Classification

Rental fees for the use of District facilities will be based on the following user/activity classifications [see GKD(EXHIBIT)]:

52. Classification I will apply to school-support organizations/activities.
53. Classification I will also apply to regular meetings being held on school days by crime watch groups, homeowner's associations, and neighborhood associations. Activities other than regular meetings by these nonschool organizations will result in a rental fee at the Classification II or III rate.
54. Classification II will apply to nonrevenue generating activities by nonschool organizations, such as nonprofit, educational, religious, civic and community organizations for meetings, entertainment, recreation, self-improvement, or community improvement.
