Personal Use

Telecommunications
Devices

An authorized District employee may confiscate a personal telecommunications device, including a mobile telephone, used in violation of applicable campus rules.

A confiscated personal telecommunications device shall be released for a fee determined by the Board. In accordance with the student handbook, the student or the student's parents may retrieve the device after paying the fee.

If a personal telecommunications device is not retrieved, the District shall dispose of the device after providing notice required by law.

Other Electronic
Devices

Guidelines regarding other personal electronic devices shall be addressed in the student handbook.

Instructional Use

A student shall obtain prior approval before using personal telecommunications or other personal electronic devices for on-campus instructional purposes. The student shall also acknowledge receipt and understanding of applicable regulations and shall sign the appropriate user agreements. [See CQ]

Use in an Emergency

In the event of an emergency or evacuation process, the District prohibits a student from using a telecommunications device, including a device that records, transmits, or displays photographic images, because these devices may interfere with the administrative efforts to facilitate telecommunications regarding student safety. Any student who uses this type of device during this time shall be subject to disciplinary action.
