(LOCAL)

Pregnant students have the right to continue their education during pregnancy [see FB] and may choose to exercise that right by:

1. Remaining in the regular school program.
2. Participating in any other special program the District may provide for pregnant students. [See EHBC and EHBD]

The student may also choose to request a leave of absence with continued educational support provided through the District's homebound services. Such request shall be accompanied by a licensed physician's certification that the leave is a medical necessity.
