

Board Authority

The board members as a body corporate have the exclusive power and duty to govern and oversee the management of the public schools of the district. *Education Code 11.151(b)*

A board may act only by majority vote of the members present at a meeting held in compliance with Government Code Chapter 551, at which a quorum of the board is present and voting. Unless authorized by the board, a member of the board may not, individually, act on behalf of the board. *Education Code 11.051(a-1)*

Access to District Facility

A district shall create a policy on visits to a district campus or facility by a member of the board.

Access to Information

When acting in the member's official capacity, a board member has an inherent right of access to information, documents, and records maintained by the district.

"Official capacity" means all duties of office and includes administrative decisions or actions.

The district shall provide the information, documents, and records to the board member without requiring the board member to submit a public information request under Texas Government Code Chapter 552 (Public Information Act) and without regard to whether the requested items are the subject of or relate to an item listed on an agenda for an upcoming meeting.

The district may withhold or redact information, a document, or a record requested by a board member to the extent that the item is excepted from disclosure or is confidential under the Public Information Act or other law [see GBA].

A district shall provide a board member with information, documents, and records requested not later than the 20th business day after the date the district receives the request. The district may take a reasonable additional period of time, not to exceed the 30th business day after the date the district receives the request, to respond to a request if compliance by the 20th business day would be unduly burdensome given the amount, age, or location of the requested information. The district shall inform the board member of the reason for the delay and the date by which the information will be provided.

If a district does not provide requested information to a board member in the time required, the member may bring suit against the district for appropriate injunctive relief. A member who prevails in a suit is entitled to recover court costs and reasonable attorney's fees. The district shall pay the costs and fees from the budget of the superintendent's office.

A board member shall maintain the confidentiality of information, documents, and records received from the district as required by the Family Educational Rights and Privacy Act of 1974 (20 U.S.C. 1232g) and any other applicable privacy laws. [See FL].

A district shall post, in a place convenient to the public, the cost of responding to one or more requests submitted by a board member under Education Code 11.1512(c) if the requests are for 200 or more pages of material in a 90-day period.

A district shall report annually to TEA not later than September 1 of each year:

1. The number of requests submitted by a board member under Education Code 11.1512(c) during the preceding school year; and
2. The total cost to the district for that school year of responding to the requests.

A person, including a board member, commits a criminal offense if the person:

1. Knowingly or intentionally destroys, conceals, removes, or otherwise impairs the verity, legibility, or availability of a district record in contravention of Local Government Code Chapter 202. *Local Gov’t Code 202.008; Penal Code 37.10*
