[See FO for provisions regarding coursework to students in suspension.]

Students Who Are
Homeless

A district may not place a student who is homeless in out-of-school suspension unless the student engages in conduct described at items 1–3, above, while on school property or while attending a school-sponsored or school-related activity on or off of school property. The campus behavior coordinator may coordinate with the district's homeless education liaison to identify appropriate alternatives to out-of-school suspension for a student who is homeless. In Education Code 37.005(d), "student who is homeless" has the meaning assigned to the term "homeless children and youths" under 42 U.S.C. Section 11434a. *Education Code 37.005(d)*

**Positive Behavior
Program**

A district may develop and implement a program, in consultation with campus behavior coordinators employed by the district [see FO] and representatives of a regional education service center, that provides a disciplinary alternative for a student enrolled in a grade level below grade 3 who engages in conduct described by Education Code 37.005(a) [at Suspension Authorized, above] and is not subject to 37.005(c) [at Students below Grade 3, above]. The program must:

1. Be age-appropriate and research-based;
2. Provide models for positive behavior;
3. Promote a positive school environment;
4. Provide alternative disciplinary courses of action that do not rely on the use of in-school suspension, out-of-school suspension, or placement in a disciplinary alternative education program to manage student behavior; and
5. Provide behavior management strategies including:
 - a. Positive behavioral intervention and support;
 - b. Trauma-informed practices;
 - c. Social and emotional learning;
 - d. A referral for services, as necessary; and
 - e. Restorative practices.

A district may annually conduct training for district staff on the program adopted.
