Emergency Operations Plan

Each district shall adopt and implement a multihazard emergency operations plan for use in the district's facilities. The plan must address mitigation, preparedness, response, and recovery as defined by the commissioner in conjunction with the governor's office of homeland security. The plan must provide for:

1. District employee training in responding to an emergency;

2. Mandatory school drills and exercises to prepare district students and employees for responding to an emergency;

3. Measures to ensure coordination with the Texas Department of State Health Services (TDSHS) and local emergency management agencies, law enforcement, health departments, and fire departments in the event of an emergency; and

4. The implementation of a required safety and security audit [see CK].

Education Code 37.108(a)

Train Derailment

A district shall include in its multihazard emergency operations plan a policy for responding to a train derailment near a district school. A district is only required to adopt the policy if a district school is located within 1,000 yards of a railroad track, as measured from any point on the school's real property boundary line. A district may use any available community resources in developing the policy. *Education Code 37.108(d)*

Polling Place Security

A district shall include in its multihazard emergency operations plan a policy for district property selected for use as a polling place under Election Code 43.031. In developing the policy, the board may consult with the local law enforcement agency with jurisdiction over the district property selected as a polling place regarding reasonable security accommodations that may be made to the property. This requirement may not be interpreted to require the board to obtain or contract for the presence of law enforcement or security personnel for the purpose of securing a polling place located on district property. Failure to comply with this subsection does not affect the requirement of the board to make a school facility available for use as a polling place under Election Code 43.031. *Education Code 37.108(e)* [See GKD]
