
Note: The Board has adopted an innovation plan including exemptions from all or a portion of state law. The District's innovation plan may be found at http://www.hjisd.net/community/district_of_innovation.

Class Size Ratio

As a district of innovation, the District is exempt from provisions in state law requiring a district not to enroll more than 22 students in a class, kindergarten–grade 4.

With an 18:1 student ratio as the District's stated goal in kindergarten–grade 4, the Superintendent shall obtain approval from the Board in the event a class size exceeds 22 students in the class, kindergarten–grade 4.

Parents of students in kindergarten–grade 4 classrooms that exceed a ratio of 22:1 shall continue to be notified as per TEC 25.113.
