

All Absences Considered

In order to receive credit or a final grade for a class, a student is required to attend class 90 percent of the days class is offered regardless of whether the student's absences are excused [see FEA] or unexcused. *Atty. Gen. Op. JC-0398 (2001)*

90 Percent Rule

Except as provided below, a student in any grade level from kindergarten through grade 12 shall not be given credit or a final grade for a class unless the student is in attendance 90 percent of the days the class is offered. This restriction does not affect a student's right to excused absences to observe religious holy days [see FEA] and does not apply to a student who receives credit by examination for a class as provided by Education Code 28.023. [See EHDC]

Principal's Plan

A student who is in attendance for at least 75 percent but less than 90 percent of the days a class is offered may be given credit or a final grade if the student completes a plan approved by the school's principal that provides for the student to meet the instructional requirements of the class. However, a student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade without the consent of the judge presiding over the student's case.

Extenuating Circumstances

An attendance committee may give class credit or a final grade to a student because of extenuating circumstances. The Board shall establish guidelines for determining what constitutes extenuating circumstances.

The Board shall adopt policies that establish alternative ways for students to make up work or regain credit or a final grade lost because of absences. The alternative ways must include at least one option that does not require a student to pay a fee. The availability of such option must be substantially the same as the availability of the educational program for which the District may charge a fee. [See FP]

Attendance Committee

The Board shall appoint one or more attendance committees to hear petitions for class credit or a final grade by students who have not met the 90 percent rule and have not earned class credit or a final grade by completing a principal's plan. Classroom teachers shall comprise a majority of the attendance committee.

Appeal

If the committee denies a student credit or a final grade, the student may appeal the decision to the Board. The Board's decision may be appealed to the district court of the county in which the District's central administrative office is located.
